

COUNCIL OF THE COUNTY OF MAUI
BUDGET AND FINANCE COMMITTEE

August 21, 2001

Committee
Report No. 01-133

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Budget and Finance Committee, having met on July 31, 2001, makes reference to Contract No. C0976-2, between Sato & Associates, Inc. and the County of Maui, relating to the construction management, inspection, and testing services for the construction of Kihei Road "C" and the North-South Collector Road.

At its meeting, your Committee met with the Director of Finance, the Deputy Director of Public Works and Waste Management, and a Deputy Corporation Counsel.

The Deputy Director of Public Works and Waste Management informed your Committee that the second amendment to this contract relates to drainage improvements for the North-South Collector Road. He noted that this issue surfaced during the construction of the Kihei Community and Aquatic Center, when residents of a neighboring development raised concerns about additional runoff. The Deputy Director further stated that the drainage improvement was added to the North-South Collector Road, since Federal funds could be utilized in addressing the community's concerns.

Your Committee was informed that the contract is divided into Participating (Par) and Non-Participating (Non-Par) work. The Par element relates to the portion of the project approved and funded by the Federal highway program. The Non-Par portion is funded by sources other than Federal highway funds.

Your Committee voted to recommend filing of Contract No. C0976-2.

Your Budget and Finance Committee **RECOMMENDS** that Contract No. C0976-2 be FILED.
