PWT-35 (2) BOARD OF WATER SUPPLY RULES

DESCRIPTION: The Committee is in receipt of correspondence dated June 26, 2002, from the Mayor, transmitting his approval of a proposed Board of Water Supply rule amendment to Title 16, Chapter 8, WATER SYSTEM DEVELOPMENT FEES. The purpose of the proposed amendment is to revise the payment schedule for fees, and requires meter fees to be effective at the same time the meter is installed.

STATUS: The Committee may consider whether to recommend, by resolution, that the Council approve the rule or, by a two-thirds vote, override the Mayor's approval. The proposed rule amendment will be deemed approved if the Council takes no action within 45 days of receipt of the Mayor's approval on June 26, 2002. The Committee may also consider other related action, including the possible filing of correspondence from the Mayor.
