Honorable Chair and Members  
of the County Council  
County of Maui  
Wailuku, Maui, Hawaii

Chair and Members:

Your Infrastructure Management Committee, having met on June 1, 2009, makes reference to County Communication No. 09-32, from the Director of Environmental Management, transmitting a copy of the County of Maui Department of Environmental Management, Wastewater Reclamation Division, USEPA/DOH Consent Decree Quarterly Progress Report #38, October 2008 Through December 2008.

Your Committee notes that the United States Environmental Protection Agency (EPA) and the State Department of Health (DOH) filed two lawsuits against the County of Maui alleging violations of Federal and State laws. On November 8, 1999, the County entered into a Consent Decree with the EPA and the DOH. As a requirement under the Consent Decree, the County must submit quarterly reports to the EPA and the DOH, which includes steps taken by the County to develop and implement the various goals, plans, programs, procedures, schedules, and budgets required pursuant to the Consent Decree. The quarterly reports must be submitted to the Council for information.

Your Committee discussed with the Department's representatives the various actions taken by the County pursuant to the Consent Decree. The Department's representative noted the steps taken under the Spill Reduction Plan, specifically, personnel training and the inspection of 168 food establishments within the County of Maui, under the Fats, Oil, and Grease Control Program.

Your Committee voted 5-0 to recommend filing of the communication. Committee Chair Medeiros, Vice-Chair Pontanilla, and members Baisa, Kaho'ohalahala, and Victorino voted "aye". Committee members Mateo and Molina were excused.

Your Infrastructure Management Committee **RECOMMENDS** that County Communication No. 09-32 be FILED.
