ITEMS	GPAC FINAL RECOMMENDATION	MPC RECOMMENDATION	DIRECTOR'S RECOMMENDATION	PLANNING COMMITTEE
GOAL	1. <i>Maui's people, values, and lifestyles will thrive through strong, healthy, and vibrant island communities.</i>		<i>Maui's people, values, and lifestyles will thrive through strong, healthy, and vibrant island communities.</i> GPAC recommendation	<i>Maui's people, values, and lifestyles thrive through strong, healthy, and vibrant island communities.</i>
OBJ. 1	2. Greater retention of the island residents by providing viable work, education, and lifestyle options.		Greater retention of the island residents by providing viable work, education, and lifestyle options. GPAC recommendation	
POLICIES	3. Improve current programs to provide additional options for accommodating the employment, housing, and social service needs of youth and young adult.		Expand programs that accommodate the employment, housing, and social service needs of youth and young adults.	
	4. Expand housing, transportation, employment, and social opportunities to ensure all residents are able to comfortably age within their communities.	Expand housing, transportation, employment, and social opportunities to ensure residents are able to comfortably age within their communities.	Expand housing, transportation, employment, and social opportunities to ensure residents are able to comfortably age within their communities. MPC recommendation	
	5. Measure and improve community satisfaction through appropriate monitoring/tracking strategies.	Measure and improve community satisfaction through appropriate monitoring/tracking approaches.	Measure and track resident satisfaction through surveys and community indicators.	
ACTIONS	6. Create a County body to facilitate the implementation of youth/young adult-related employment, housing, social services, and other policies/programs that help in keeping local youth/young adults on Maui. a. Identify existing and develop new funding sources for youth and family services (i.e. recreation, health care, education, housing, child care, etc.); and integrate such resources to achieve an effective outcome. b. Improve collaboration among governmental agencies to strengthen and integrate service delivery systems that support youth/young adult needs.	Use an existing agency that will facilitate youth/young adult-related employment, housing, social services, and other programs that retain young adults on Maui. 6a and 6b will remain as stated	6A. Use an existing agency to facilitate young adult-related employment, housing, social services, and other programs that help retain young adults on Maui. 6B. identify existing and develop new funding sources for youth and family services (e.g., recreation, health care, education, housing, child care, etc.) and integrate such resources to achieve an effective outcome.	
	7. Provide additional support and funding for transportation, housing, healthcare, recreation, and social service programs that help those with special-needs (including the elderly and disabled).		Provide additional support and funding for transportation, housing, healthcare, recreation, and social service programs that help those with special-needs.	Support funding for transportation, housing, healthcare, recreation, and social service programs that help those with special-needs (including the elderly and disabled).

*The director's recommendation column has been revised for consistency with the 2-column matrix and to make it more user-friendly. There have been no substantive changes.

	8. Develop and regularly conduct an impartial <i>Community Satisfaction Survey</i> to measure residents' quality-of-life, facilitate the development of informed policies/programs, and improve service delivery.		Develop and regularly conduct a <i>Community Satisfaction Survey</i> to measure residents' quality-of-life, facilitate the development of informed policies/programs, and improve service delivery.	
OBJ. 2	9. Maximize residents' benefits from the visitor industry, as measured by the percentage of residents earning a living wage, and ease the transition of new residents onto the island.		Maximize residents' benefits from the visitor industry, as measured by the percentage of residents earning a living wage, and ease the transition of new residents onto the island. GPAC recommendation	Maximize residents' benefits from the visitor industry.
POLICIES	10. Define the boundaries of Maui's <i>Resort Destination Areas</i> and limit them to Wailea, Makena, Kapalua, and Kaanapali while ensuring public access to these areas; prohibit <i>resort development</i> * outside of these boundaries.		Define the boundaries of Maui's <i>Resort Destination Areas</i> and limit them to Wailea, Makena, Kapalua, and Kaanapali, while ensuring public access to these areas; limit <i>large-scale resort development</i> * to areas within these boundaries. * defined as complexes that include multiple accommodation facilities, activity businesses, retail complexes, and other amenities.	Define existing locations for Maui's existing resort destinations (e.g., Wailea, Makena, Kapalua, Kaanapali, etc.) and ensure that if such areas are to be expanded that the necessary resources and infrastructure are in place prior to or concurrent with such expansion. This would include but not be limited to the following: public access and parking, improved roadways and transportation, adequate water and sewage and a healthy natural environment. If areas outside of the existing resort locations are considered for resort expansion, such developments must be consistent with the community plans and must provide an even greater level of protection as those previously described for Maui's existing resort destinations, to ensure a good quality of life for the resident population.
	11. Promote a socially balanced community and sustainable island by not exceeding a visitor population greater than 33% of the resident population (1 visitor to 3 residents).		Promote a sustainable community by not exceeding a visitor population greater than 33% of the resident population (1 visitor to 3 residents).	Provide a sustainable community by not exceeding a visitor population greater than 33% of the resident population (1 visitor to 3 residents). This ratio should be considered a limit, not a target or minimum ratio. The number of residents may exceed 3 for every 1 visitor; ratios such as 1 visitor to 4 residents and 1 visitor to 5 residents may be permitted, provided the number of visitors does not exceed 1 for every 3 residents.
	12. Cultivate the active participation of people of all ethnicities, origins, and backgrounds in the practices of the Hawaiian and other cultures.		Educate visitors and new residents about the customs and etiquette of Hawaiian and other cultures.	
	13. Adopt a Directed Growth Plan that clearly delineates <i>Resort Destination Areas</i> .		Adopt a Directed Growth Plan that clearly delineates <i>Resort Destination Areas</i> . GPAC recommendation	Move to implementing action
14. Use the required General Plan Annual Status Report to monitor trends related to residents and visitors.		Use the required General Plan Annual Status Report to monitor trends related to residents and visitors. GPAC recommendation		

*The director's recommendation column has been revised for consistency with the 2-column matrix and to make it more user-friendly. There have been no substantive changes.

	15. Work with the non-profit sector to expand cultural education for new residents, visitors, and the general public.		Work with the community to expand cultural education for new residents, visitors, and the general public.	
	16. Coordinate with the Visitor Bureau, mass media, and other tourist-related entities to educate visitors and new residents about the Aloha spirit; how to maximize the benefit of their visit by learning about the island's cultures; and how to minimize any potential impacts.		Delete; see #10
