

COUNCIL OF THE COUNTY OF MAUI
ECONOMIC DEVELOPMENT, AGRICULTURE,
AND RECREATION COMMITTEE

March 19, 2010

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Economic Development, Agriculture, and Recreation Committee, having met on March 4, 2010, makes reference to County Communication No. 10-9, from the Director of Parks and Recreation, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE TO AMEND ORDINANCE NO. 2041 (1991), PERTAINING TO EXCEPTIONAL TREES IN THE COUNTY OF MAUI".

The purpose of the proposed bill is to add and delete trees from the original list of exceptional trees adopted in 1991.

Your Committee notes that Section 12.24A.030, Maui County Code (MCC), assigns the Maui County Arborist Committee the responsibility of recommending exceptional trees to the County Council for protection.

Your Committee further notes that Section 12.24A.020, MCC, defines "exceptional trees" as "a tree or stand or grove of trees with historic or cultural value, or which by reason of age, rarity, location, size, aesthetic quality, or endemic status has been designated by ordinance as worthy of preservation."

The proposed bill removes from the list certain trees that have died or become diseased and adds new exceptional trees to the list. Your Committee notes that the proposed bill has been endorsed by both the Maui County Arborist and the Maui County Arborist Committee.

Your Committee voted 5-0 to recommend passage of the proposed bill on first reading and filing of the communication. Committee Chair Johnson, Vice-Chair Kaho'ohalahala, and members Baisa, Molina, and Pontanilla voted "aye".

Your Committee is in receipt of a revised proposed bill, approved as to form and legality by the Department of the Corporation Counsel, incorporating a nonsubstantive revision.
