

Maui County Arborist Committee
Regular Meeting
July 8, 2009

- I. Meeting called to order at 1:34pm.
- II. Meeting Business
 - A. Review of Maui Lani Phase 7, Increment 4 Project displays and flexible design and standards.

153 lots > 187 trees total (21 outside of subdivision in park area)
Recommended that AOAO be required to maintain a number of trees.
Trees to be maintained for the purpose of shading roadway.
 - B. Propose a tree larger than crape myrtle for culdesac planters. (To be selected from within Maui County Planting Plan) (Motion to accept: J. Pezzoli) (Seconded: M. Bryce)

NOTE: This item must be re-voted; the Chair can not make motions. SEE ATTACHED LETTER to Paul Critchlow for this project.

- III. Agenda Development
 - A. Committee recommends to request standard specification for trimming contracts (Keopuolani Park palms were over trimmed)
 - B. Formation of Keopuolani subcommittee for Planting Irrigation
 - C. Discussed upcoming plans for Arbor Week.
- IV. Meeting adjourned at 3:40pm
