Please indicate why you are interested in serving and what skills you may have to contribute:

I was born and raised on Maui in 1951. I witnessed the "before" and "after". Maui's rapid growth has certainly increased the need for water, infrastructure, traffic control, electrical and plumbing needs, safety and health facilities, ocean and recreational protection, state and county services, land use guidelines, protection and restrictions. Moloka'i is far behind compared to Maui. Molokai can be an asset to the state because of the open land, natural resources and the ability to accommodate the needs for our generations to come. If we plan wisely, Molokai does not have to become another Oahu, Maui, Kauai etc. I would like to be a part of the future of Molokai, not only for the tourist, but for our kupuna, makua, children and future generations.
