

COUNCIL OF THE COUNTY OF MAUI
INFRASTRUCTURE AND ENVIRONMENTAL
MANAGEMENT COMMITTEE

September 20, 2013

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Infrastructure and Environmental Management Committee, having met on July 15, 2013, makes reference to County Communication 09-232, from the Director of Public Works, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING SECTION 10.48.040, MAUI COUNTY CODE, PERTAINING TO STOPPING, STANDING AND PARKING ON WAILANI STREET, WAILUKU".

The purpose of the proposed bill is to prohibit parking on a portion of Wailani Street in Wailuku, between East Vineyard Street and Nani Street.

Your Committee notes Section 2.36.020, Maui County Code, requires referral of the proposed bill to the Maui County Traffic Safety Council ("TSC") for its recommendation prior to referral to the County Council. At its meeting of December 9, 2008, the TSC supported the proposed bill.

The Chair of the TSC noted the County right-of-way varies from 12 feet to 20 feet along this portion of Wailani Street, which is less than the standard 44-foot width for County minor streets. Residents in the area had initiated the request to prohibit parking along this sub-standard street to better ensure safe passage for pedestrians and emergency and service vehicles.

Your Committee voted 4-0 to recommend passage of the proposed bill on first reading and filing of the communication. Committee Chair Cochran, Vice-Chair Crivello, and members Carroll and Couch voted "aye". Committee members Guzman, Hokama, and White were excused.

Your Committee is in receipt of a revised proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING SECTION 10.48.040, MAUI COUNTY CODE, RELATING TO STOPPING, STANDING AND PARKING ON WAILANI STREET, WAILUKU", approved as to form and legality by the Department of the Corporation Counsel, incorporating nonsubstantive revisions.
