Honorable Chair White -

APPROVED FOR TRANSMITTAL

SUBJECT: MAUI METROPOLITAN PLANNING ORGANIZATION (MAUI MPO)

Please find attached two ordinances and a comprehensive agreement that establish the Maui Metropolitan Planning Organization (Maui MPO), which is required when the population, per the U. S. Census reaches 50,000 or more for a specific "urban zone area." This threshold was attained by Maui County during the 2010 census. Establishing Maui MPO complies with Federal and State law and authorizes both to provide funding to fulfill the Maui MPO duties. Both the Maui County Department of Public Works and Maui County Department of Transportation depend on Federal Highways Administration and Federal Transportation Administration funding, which can be withheld if we do not comply with requirements to form the Maui MPO.

The attached ordinance authorizing the County to enter the Intergovernmental Agreement (Comprehensive Agreement) with the State complies with Maui County Code Section 2.20.020. The ordinance establishing the Maui MPO amends Maui County Code Chapter 2.35.

It is important to expedite the submission to Council so that implementation of the Maui MPO can be accomplished and not interfere with the funding tied to requirements to comply with Federal and State laws. This funding is essential to the County for both transportation and roadways.

Please let our department know as soon as possible when this may be scheduled for a hearing since my upcoming retirement will occur on December 30, 2015.

Honorable Mike White, Chair and Members of the Maui County Council November 11, 2015 Page 2

Also, if you have any questions or concerns please feel free to contact either myself or Deputy Director, Marc Takamori at 808-270-7511.
