

COUNCIL OF THE COUNTY OF MAUI
PLANNING COMMITTEE

April 15, 2016

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Planning Committee, having met on May 28, 2015, June 18, 2015, July 2, 2015, July 23, 2015, November 5, 2015, November 19, 2015, December 3, 2015, January 21, 2016, February 4, 2016, February 18, 2016, and March 3, 2016, makes reference to County Communication 14-278, from the Planning Director, transmitting a summary of comments and recommendations from the Lanai, Maui, and Molokai planning commissions, and a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING TITLE 19, MAUI COUNTY CODE, RELATING TO SHORT-TERM RENTAL HOMES."

The purpose of the proposed bill is to update the requirements and permitting procedures for Short-Term Rental Homes in Chapter 19.65, Maui County Code. Your Committee notes a Short-Term Rental Home, as currently defined in the Comprehensive Zoning Ordinance, is "a residential use in which overnight accommodations are provided to guests for compensation, for periods of less than one hundred eighty days, in no more than two detached single-family dwelling units, excluding bed and breakfast homes."

Your Committee notes the Council's Planning Committee (2013-2015 Council term) met on November 20, 2014.

The planning commissions recommended approval of the proposed bill with various revisions.

Your Committee received testimony from holders of Short-Term Rental Home permits; operators of unpermitted vacation rentals; members of the Maui Vacation Rental Association; realtors; owners of businesses providing services to Short-Term Rental Homes; homeowners, including those living in South Maui and West Maui neighborhoods near

resort areas; farmers and others living on agricultural land; affordable housing advocates; and other concerned citizens.

Your Committee discussed at length the proliferation of unpermitted vacation rentals, a problem that appears to be exacerbated by the popularity of online services such as Airbnb, VRBO, and Homeaway. Your Committee expressed concern about the impact of unpermitted vacation rentals on the County's neighborhoods and the affordability of housing for residents.

Your Committee revised the proposed bill to incorporate improvements to the Short-Term Rental Home permitting process based on the Planning Director's experience with administering Chapter 19.65. In particular, Sections 19.65.070 and 19.65.080 were revised to simplify renewal procedures and facilitate enforcement, respectively.

Your Committee notes certain violations of Chapter 19.65 are currently punished by, among other things, a five-year ban on submitting an application for a Short-Term Rental Home permit. The revised proposed bill establishes a six-month exception to the ban for applicants who satisfy an array of conditions, including payment of an after-the-fact application fee and proof that appropriate State and County taxes have been paid.

The revised proposed bill states a Short-Term Rental Home is a permitted use in the Apartment District and clarifies when a Special Use Permit is required for a Short-Term Rental Home within the Agricultural District.

In addition, the revised proposed bill does the following:

- Expands the definition of Short-Term Rental Homes to include accessory dwelling units.
- Adds Short-Term Rental Homes as an accessory use in the Agricultural District, as long as an approved farm plan has been

fully implemented and the use is consistent with State law under Chapter 205, Hawaii Revised Statutes.

- Adds limited liability partnership as a qualifying entity to hold a Short-Term Rental Home permit.
- Adds a requirement that a Short-Term Rental Home permittee must hold a minimum ownership interest of 50 percent in the property.
- Reduces the maximum number of Short-Term Rental Homes in the Hana Community Plan Area from 48 to 30.
- Clarifies that an amendment to an existing Short-Term Rental Home permit, such as to add a bedroom or accessory dwelling, is processed in the same manner as an initial permit application.
- Requires permit-renewal applications to be submitted to the Department of Planning at least 90 days prior to the permit-expiration date.
- Prohibits an owner whose permit has not been renewed from applying for a new permit for two years.
- Prohibits an owner whose permit has been revoked from applying for a new permit for two years.

Your Committee notes a budget amendment will be needed to establish the after-the-fact application fee referenced in the revised proposed bill.

Your Committee voted 5-1 to recommend passage of the revised proposed bill on first reading and filing of the communication. Committee Chair Couch, Vice-Chair Carroll, and members Baisa, Guzman, and Victorino voted "aye." Committee member Cochran voted "no." Committee member White was excused.
