POLICY AND INTERGOVERNMENTAL
AFFAIRS COMMITTEE

December 2, 2016

Committee
Report No. _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Policy and Intergovernmental Affairs Committee, having met on November 14, 2016, makes reference to County Communication 16-173, from Councilmember Elle Cochran, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING CHAPTER 2.28, MAUI COUNTY CODE, RELATING TO PLANNING COMMISSION MEMBERSHIP AND TRAINING."

The purpose of the proposed bill is to require at least one member sitting on each planning commission to have certain qualifications in conservation and natural resources, and Native Hawaiian traditional and customary practices, respectively; and to require all members of the planning commissions and Hana Advisory Committee to participate in a Native Hawaiian law training course taught by the Ka Huli Ao Center for Excellence in Native Hawaiian Law.

The Planning Director noted the difficulty of filling vacancies on the planning commissions and said requiring members to have certain qualifications may increase the difficulty.

Your Committee revised the proposed bill to remove the requirements that at least one member sitting on each planning commission have certain qualifications in conservation and natural resources, and Native Hawaiian traditional and customary practices.

Your Committee agreed participation in a Native Hawaiian law training course had merit, and noted the Office of Hawaiian Affairs would cover the cost of the training.
