**POLICY, ECONOMIC DEVELOPMENT,
AND AGRICULTURE COMMITTEE**

February 17, 2017

**Committee
Report No. _____**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Policy, Economic Development, and Agriculture Committee, having met on January 30, 2017, makes reference to County Communication 17-61, from the Chief of Police, transmitting a proposed resolution entitled "AUTHORIZING ACCEPTANCE OF A DONATION OF TWO MORPHO TRAK LIVESCAN MACHINES FOR THE MOLOKAI AND LANAI DISTRICT STATIONS FROM THE HAWAII CRIMINAL JUSTICE DATA CENTER TO THE COUNTY OF MAUI, DEPARTMENT OF POLICE, PURSUANT TO CHAPTER 3.56, MAUI COUNTY CODE."

The purpose of the proposed resolution is to authorize acceptance of two MorphoTrak LiveScan digital fingerprinting, photographing, and imaging machines, each valued at \$25,586.38, and one year of maintenance per machine, valued at \$4,000 each, for a total donation value of \$59,172.70, from the Hawaii Criminal Justice Data Center to the Department of Police. The machines will be used at the Molokai and Lanai District stations.

By correspondence dated January 23, 2017, the Department of the Corporation Counsel, transmitted a revised proposed resolution entitled "AUTHORIZING ACCEPTANCE OF A DONATION OF TWO MORPHOTRAK LIVESCAN MACHINES FOR THE MOLOKAI AND LANAI DISTRICT STATIONS FROM THE HAWAII CRIMINAL JUSTICE DATA CENTER TO THE COUNTY OF MAUI, DEPARTMENT OF POLICE, PURSUANT TO CHAPTER 3.56, MAUI COUNTY CODE."

The purpose of the revised proposed resolution is to authorize acceptance of two MorphoTrak LiveScan digital fingerprinting,

photographing, and imaging machines, for a total donation value of \$59,172.76.

Your Committee notes Section 3.56.030, Maui County Code, requires Council approval by resolution of any gift to the County.

A Police Sergeant said the donation will replace aging LiveScan machines at the Molokai and Lanai District stations in place since 2005. The newer machines will have the added capability to capture full fingerprint and palm images to address Federal compliancy requirements. Machines at the Kihei, Lahaina, and Kahului District stations have already been replaced.

He said the annual maintenance cost would cover application and hardware support. The Department's budget would not be impacted as the cost for the maintenance agreement has not changed.

Your Committee voted 8-0 to recommend adoption of the revised proposed resolution and filing of the communication. Committee Chair Sugimura, Vice-Chair Crivello, and members Atay, Carroll, Guzman, Hokama, King, and White voted "aye." Councilmember Cochran was excused.

Your Policy, Economic Development, and Agriculture Committee RECOMMENDS the following:

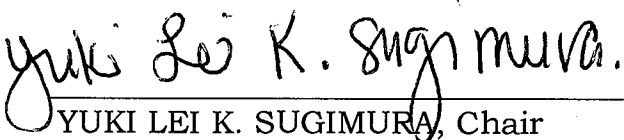

1. That Resolution _____, as revised herein and attached hereto, entitled "AUTHORIZING ACCEPTANCE OF A DONATION OF TWO MORPHOTRAK LIVESCAN MACHINES FOR THE MOLOKAI AND LANAI DISTRICT STATIONS FROM THE HAWAII CRIMINAL JUSTICE DATA CENTER TO THE COUNTY OF MAUI, DEPARTMENT OF POLICE, PURSUANT TO CHAPTER 3.56, MAUI COUNTY CODE," be ADOPTED; and
2. That County Communication 17-61 be FILED.

Dear Chief Faaumu:

The Hawaii Criminal Justice Data Center (HCJDC) has been awarded Federal grant funding from the National Criminal History Improvement Program (NCHIP) to purchase two replacement livescans for the Maui Police Department (MPD). With your concurrence, we would like to replace the livescans at the Molokai and Lanai Stations. These new livescans will be able to capture the entire palm print image including the upper palm portion which the older livescan is unable to do. Being able to submit the entire palm print image will enable the Federal Bureau of Investigation (FBI) to accept our palm print images and add them to the national database for latent searching.

Once these livescans are purchased, delivered and installed, there will be a one year of warranty on the livescans. Typically, after the warranty period, the State vendor, MorphoTrak, will contact MPD to establish the maintenance contract for the newly installed livescans. However, for these livescans, HCJDC has purchased the first year of the maintenance contract. After the first year of maintenance, MorphoTrak will contact MPD to continue the contract. The maintenance cost for these livescans will be approximately \$4,000 each.

Please let me know if you have any questions or feel free to contact Jae Lim, at (808) 587-3369 or via email at jae.h.lim@hawaii.gov.

Thank you for your continued support and partnership.

Very truly yours,

Liane M. Moriyama
