Clerk's attention through Councilmember Rawlins-Fernandez that there had been communication between the Economic Development and Budget Committee and the Commission on Persons with Disabilities with regard to Closed Captioning. To give some background, the Office of the County Clerk and the Office of Council Services for some years have evaluated Closed Captioning for meetings and for various reasons, it was not implemented. Mr. Nishita stated that the Office of the County Clerk independently began looking into the possibility of Closed Captioning at the beginning of this calendar year and implemented Closed Captioning for the first time on May 3, 2019, at the Maui Council meeting. Mr. Nishita confirmed that as of now, all meetings of the Maui Council, excluding Committee meetings, will be captioned. He further stated that this is a Pilot Program and the benefits, accuracy, technical challenges and cost are being evaluated. Mr. Nishita expressed a desire to continue to work with the Commission on Persons with Disabilities with regard to Closed Captioning.

Commissioner D'Alessandro asked how long the Pilot would run. Mr. Nishita stated that the Pilot is scheduled for the first 50 hours of meetings or depending on how long the meetings are and how many meetings the Maui Council has, he anticipates it will run close to the end of this calendar year. There will be a re-evaluation of the current method and whether or not the Maui Council will be willing to pick up the additional cost.

Commissioner D'Alessandro asked how the Office of the County Clerk would be assessing the Pilot Program. Mr. Nishita responded that currently his office staff do verbatim minutes in-house for all of the Council meetings and public hearings. His office will use the Closed Captioning transcripts and using that as a base for their verbatim minutes and determine the accuracy rate of those transcripts. Mr. Nishita further stated that the month of May will be an internal evaluation with a public announcement in June. Mr. Nishita welcomed feedback from the Commission on Persons with Disabilities with regard to how to measure success in the Community and its benefits to the Community.

CAMERON CENTER • 95 MAHALANI STREET, ROOM 20 • WAILUKU, HI 96793 • PHONE (808) 270-7755 • FAX (808) 270-7935

At present the Pilot program utilizes the same program used by the Hawaii County Council and the Kauai County Council.

- b. Status update on the recommendation letter to the Economic Development and Budget (“EDB”) Committee regarding the support for the reinstatement of the monthly paratransit bus pass and the support for closed captioning of county meetings on Akaku.

Commissioner Kapoi testified at the April 17, 2019 Council meeting and submitted the April 11, 2019 letter to the Council.

Commissioner Kapoi testified to the Council that his disabled family member would like to go out often and the need for transportation.

Roxann Kehus of Maui Disability Alliance, stated that Councilmember Kama had requested that she do some research on other counties on the mainland that offer monthly para-transit passes. On the mainland, there are several states that offer a variety of discounted para-transit passes that range from monthly passes, such as what Maui County previously had, to discounted tickets. Ms. Kehus further noted that currently there are para-transit monthly passes for students and ages 55 and older, but no monthly passes for ages 18-54. A discussion ensued regarding income-eligible para-transit monthly pass regardless of age.

Ms. Kehus through the Maui Disability Alliance will follow up with the Councilmembers.
