Re: Cancellation of March 31, 2020, Board of Ethics Meeting

Aloha Board of Ethics Members:

As you know, we are all striving to be proactive and prudent in response to the current COVID-19 public health emergency. Please be advised that the Board of Ethics (the "Board") has canceled the regular scheduled meeting on Tuesday, March 31, 2020, due to the suspension of regular meetings conducted by boards and commissions due to the Public Health Emergency Rules for Maui County effective as of March 20, 2020.

The meeting will be rescheduled for a future date to be determined after the public health emergency restrictions are lifted.

Thank you for your flexibility and understanding, should you have any questions please contact our Cory at 808-270-7583.

Mahalo,

/s/ Matthew Macario
