**Committee
Report No.**

_____ 08-44 _____

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Budget and Finance Committee, having met on March 4, 2008, makes reference to County Communication No. 07-175, from the Mayor, transmitting correspondence dated May 4, 2007, from Mark A. Chandler, Director of the Office of Community Planning and Development for the U.S. Department of Housing and Urban Development (HUD), reporting that the County of Maui is in compliance with the Community Development Block Grant (CDBG) timeliness regulations for program year 2006.

At its meeting, your Committee met with the Budget Director, the CDBG Program Manager, and the First Deputy Corporation Counsel.

There was no public testimony.

The CDBG Program Manager explained that a grantee is considered to be in compliance with the CDBG timeliness regulations if, 60 days prior to the end of its program year, there is no more than 1.5 times its annual grant remaining in the line of credit. HUD has reported that the County of Maui is in compliance with CDBG regulations, and has achieved a timeliness ratio of 1.495.

Your Committee expressed its appreciation to the CDBG Program Manager for complying with the Federal timeliness regulations and receiving a satisfactory timeliness ratio for this period.

Your Committee voted to recommend filing of the communication.

Your Budget and Finance Committee **RECOMMENDS** that County Communication No. 07-175 be FILED.

Adoption of this report is respectfully requested.
