Committee
Report No. 03-85

The Director of Public Works and Environmental Management stated that the proposed dedications will enable the expansion of the North/South Collector Road in accordance with requirements of subdivision approval. He noted that the second proposed resolution will allow the creation of a park, and a bike and jogging path along the North/South Collector Road.

In response to an inquiry from your Committee, the Director of Public Works and Environmental Management stated that the improvements currently do not reflect the desire of the Kihei Community Association (KCA) for two vehicle traffic lanes, and pedestrian and bike lanes. However, he noted that the dedication will allow for future expansion of the corridor consistent with KCA's request.

Your Committee voted to recommend passage of the proposed resolutions, and filing of the communication.

Your Public Works and Traffic Committee RECOMMENDS the following:

1. That Resolution No. _____, attached hereto, entitled "ACCEPTING DEDICATION OF ROADWAY LOTS FOR THE PIILANI NORTH II (ROAD "C") LARGE-LOT SUBDIVISION, PURSUANT TO SECTION 3.44.015, MAUI COUNTY CODE", be ADOPTED;
2. That Resolution No. _____, attached hereto, entitled "ACCEPTING DEDICATION OF LOTS FOR PARK, BIKE, AND JOGGING RESERVE LOTS PURSUANT TO SECTION 3.44.015, MAUI COUNTY CODE", be ADOPTED; and
3. That County Communication No. 03-184 be FILED.

Adoption of this report is respectfully requested.
