

I. SOURCES OF AUTHORITY

The sources of authority for a **Short-Term Rental Home (STRH) Permit** are:

- Maui County Code, [Title 19, Zoning](#), as amended.
- Maui County Code, [Chapter 19.65, Short-Term Rental Homes](#). (Ordinance. No. 4315, Bill No. 43 (2016))

Copies can be obtained at the Department of Planning (Department) at 2200 Main Street, Suite 619, in Wailuku. A PDF fillable version of this application may also be downloaded from the [Planning Department, Permit and Development Applications](#), portion of the County's website at: www.mauicounty.gov.

II. PURPOSE

The purpose of the **Short-Term Rental Home (STRH) Permit** is to facilitate the permitting of short-term rental homes in certain areas, subject to appropriate restrictions and standards; to allow for varied accommodations and experiences for visitors while retaining the character of residential neighborhoods; to allow small businesses to benefit from tourism; and generally to implement land use policies consistent with the County of Maui's General Plan and the State of Hawaii's land use laws.

III. BASIC QUALIFICATIONS & STANDARDS (ABBREVIATED)

The construction of homes used for short-term rental must have been completed at least five (5) years prior to the date of the STRH application. Permits are held in the name of an individual(s) who holds legal title to the property. In some cases the property may be owned by a trust, LLC, LLP or corporation which must be family-owned (see 19.65.030(G) for details). The STRH manager is required to be accessible at all times, to be onsite within one hour's notice, if requested, and have a residence or office within thirty (30) driving miles. Eligible to manage are the permit holder, an immediate family member, or an individual with an active State of Hawaii real estate license, except for in the Hana or Lanai community plan areas, where an individual may act as a manager. An STRH permit on one lot may cover up to two (2) separate single-family dwellings, each having one (1) kitchen, with a combined total of six (6) bedrooms for the short-term rental use. Please see the information sheet, *Does My Property Qualify? - A Guide to Regulations Governing the Short-Term Rental Home Use of Properties* for detailed information on restrictions and standards.

V. APPLICATION PREPARATION, SUBMITTAL, AND PROCESSING PROCEDURES

NOTICE REGARDING OPERATING A SHORT-TERM RENTAL WITHOUT A PERMIT: With few exceptions, it is unlawful to conduct short-term rentals without a permit. If you are unlawfully conducting short-term rentals, you must stop before you can apply for a permit. Simply applying for a permit (rather than actually obtaining a permit) does not "legalize" unlawful short-term rentals, nor does submitting an application allow the commencement of short-term rentals. Maui County can pursue civil and/or criminal fines and penalties for any unlawful short-term rentals.

PRE-APPLICATION STEPS AND APPLICATION FORM PREPARATION

Before applying for a STRH permit, property owners must analyze for themselves whether a STRH permit is appropriate for their individual property. It is recommended that property owners considering a STRH permit compare the requirements of the permit with the attributes of the property and the ownership-management structure. For detailed requirements and standards, review the information sheet, *Does My Property Qualify? - A Guide to Regulations Governing the Short-Term Rental Home Use of Properties*. The Department can be reached at 808- 270-8205, and will provide assistance in answering any questions regarding the permit requirements and process.

No more than ten (10) days prior to mailing the *Neighbor Notice of Filing of a Short-Term Rental Home Permit Application* form, the applicant shall install a temporary NOTICE OF APPLICATION SIGN along the main access road of the proposed short-term rental home. See *Short-Term Rental Home Sign Requirements*, cited on Page 1, for sign specifications. The applicant shall remove the sign forty-five days after the mailing of the Notice of Application.

NOTICE REGARDING SUBMITTING FALSE OR MISLEADING INFORMATION: In addition to any enforcement action pursuant to 19.530.030, any misrepresentation(s) on a STRH application or during the initial, time-extension, or renewal application process can result in a denial or revocation of a Short-Term Rental Home Permit and a prohibition on applying within two (2) years from the date of denial or revocation.

APPLICATION SUBMITTAL AND INITIAL REVIEW

Upon submittal by the applicant of a completed Short-Term Rental Home Permit application, the Department reviews the application to determine whether the required submittals are adequate for acceptance, and then, initial processing. The Department may ask for additional documents or revisions as needed upon submittal or at any point in the review process.

NEIGHBOR NOTICE OF FILING A SHORT-TERM RENTAL HOME APPLICATION

When the Department determines that the application is ready for initial processing, instructions are provided to the applicant for the mailing of the *Neighbor Notice of Filing of a Short-Term Rental Home Permit Application* form (Page 10) to the neighbors of the short-term rental home application. Please note that the Department must review the location map, 500-Foot Boundary Notification Map, site and parking plan, and 500-Foot Property Owner's Notice List, and then the Notice of Filing form prior to the notice and its enclosures being mailed by the applicant to neighbors. The signed *Notice of Filing* form and its enclosures must be sent to the neighbors by Certified Mail. The applicant then submits the *Notarized Affidavit of Mailing of Notice of Application* form (Page 11) with the original Certified Mail receipts to the Department within thirty (30) days of the mailing.

AGENCY TRANSMITTAL AND GENERAL REVIEW

County and State agencies may be consulted when warranted. Additional copies of the application may be required for agency review and may be requested in hardcopy, digital, or a combination of media. The project planner will discuss the number and format with the applicant, if additional copies are needed. For properties located on lands in the agricultural district, an additional permit (SUP2) is required (See Checklist Items 26-28 for related information.)

At least one site visit is conducted by the project planner, and all structures on the proposed short-term rental home property shall be available and shown. It is essential that the submitted site and parking, and floor plans are accurate and include all items asked for in the checklist. Any discrepancy between the submitted plans and what is observed during the site visit may delay the processing of the application and require additional agency review.

V. APPLICATION PREPARATION, SUBMITTAL, AND PROCESSING PROCEDURES

TWO AVENUES TO APPROVAL FOR SHORT-TERM RENTAL HOME PROJECTS

Once a complete and accurate STRH permit application has been reviewed by the Department, and all agency comments or concerns have been satisfied, the STRH permit application will be approved or denied.

1. **By the Director administratively, or**
2. **By a Planning Commission at a public hearing.**

The triggers requiring a public hearing are contained in 19.65.060(A)(2). If a public hearing is required, the Department will schedule a public hearing date with the Maui, Molokai, or Lanai Planning Commission, as appropriate. The approval of the short-term rental home operation will then be determined under the rules of these commissions.

When a public hearing is required, the **applicant** is responsible for the following three (3) public hearing requirements in 19.65.050(D):

- a. Pay the **STRH public hearing fee**, in the amount set in the [fee schedule](#) of the annual budget of the County of Maui. Checks shall be made payable to the County of Maui, Director of Finance;
- b. Mail *Notice of Public Hearing for a Short-Term Rental Home Permit Application*, including enclosures (Page 12), by Certified Mail, return receipt requested, to all owners and lessees of record within 500 feet of the parcel boundaries not less than thirty (30) calendar days prior to the public hearing;
- c. Submit to the Department a *Notarized Affidavit of Mailing of Notice of Public Hearing* (Page 13) with the return receipts for the Certified Mail not less than ten (10) business days prior to the public hearing; and

Approved short-term rental home permits shall be valid for an initial maximum period of three (3) years.

POST APPROVAL & PRIOR TO THE OPERATION OF A SHORT-TERM RENTAL HOME PERMIT

Prior to the commencement of operation of the short-term rental home:

1. The home shall meet the Requirements and Standards of 19.65.030, including the installation of all the items in the application checklist: *House Policies, Fire Escape Plan, fire extinguishers, and Short-Term Rental Home Identification Sign*;
2. The Permit Holder shall send the STRH information packet to neighbors per 19.65.070(D); and
3. The Permit Holder shall meet all the pre-operation permit conditions of approval including the purchase of the comprehensive liability policy under the required terms.

Submit proof of compliance with 19.65.070(D), item 2. above.

PERMIT RENEWALS

Permit renewals may be granted by the Director for terms of up to five (5) years on Lanai and Maui and up to one (1) year on Molokai. Renewal applications are required to be submitted within ninety (90) days prior to the expiration of the permit. Renewal applications can be found on the County of Maui website. There will be no notice from the County regarding renewal.

In summary, the fee structure is as follows: a STRH permit application fee is paid to process the initial permit and for one year of operation. A public hearing fee is also required if the application triggers a public hearing. Other fees may apply, and will be collected at a later date (19.65.070(A)). - 13. Submit a **location map**. This is an accurately scaled regional map, which clearly locates the project site in relation to roadways, adjacent parcels, and landmarks. It shall be on 8 1/2"x11" paper.

Refer to *500-Foot Boundary Notification List & Map Instructions* for more information on how to complete this item (19.65.050(B)).

 - b. Draw a line indicating the 500-foot boundary;
 - c. Clearly identify all lots within 500 feet of the subject property's boundaries; and

- 15. Submit a **500-Foot Boundary Notification List**. The 500-foot list is a list of Tax Map Key (TMK) numbers, names, and addresses of all the owners and lessees of record within 500 feet of the subject property's boundaries. The list shall be compiled from the most current list available at the Real Property Tax Division of the Department of Finance at the time of application. (Located in Kahului at 70 East Kaahumanu Ave, Suite A-16)(19.65.050(A)(6)).
- 16. Submit a **site and parking plan**. This site plan shall include and be:

Parking spaces shall be a minimum of 8 ½ by 18 feet. Tandem parking and grasscrete are permitted. Parking requirements can be found in 19.36A.010 under short-term rental home.
- 17. Submit a detailed **floor plan**. This detailed floor plan shall include and be:
 - a. Drawn on 8 ½ x 11 paper;
 - b. Drawn to scale. Identify the scale used on each plan page; and
 - c. Identify the use of all rooms in all STRH dwellings on the property, label the designated STRH bedrooms, and indicate the location of smoke alarms and fire extinguishers.

18. Submit **proof that any proposed STRH dwelling was built in compliance with County regulations**. Note: building permits for proposed STRH dwellings must be for habitable structures. Methods of proof of compliance may include: (1.) a Department of Public Works *Miscellaneous Inspection Report (building, plumbing, and electrical)* for all of the structures to be used for the short-term rental operation; (2.) the record of completed building permits for the original construction and all additions; and/or (3.) a certification by a licensed architect of compliance with Maui County building, plumbing, and electrical codes in effect at the time of completion of the single-family dwelling and any additions. The use of methods (2.) and (3.) are subject to Department approval. For method (2.) it is necessary to document to which buildings the permits apply, and that the permitted work was appropriately completed. In the Maui County KivaNet database permits marked a decision code of "A" (approved) and a completion date meet the requirement. Permit documents showing the inspection history and approved final inspections may also meet the requirement.
- There are several methods for documenting a structure's **building permit history**. First, some building permits of more recent structures, usually built after 1978, can be found online at: <http://kivanet10g.co.maui.hi.us/kivanet/2/permit/index.cfm>. Second, the online records of the County's Real Property Tax (RPT) office can be checked by conducting a "Parcel Number Search" in which the "Tax Map Key #" is entered and parcel data tracked by RPT, including building permits, is displayed. Start the search at http://qpublic9.qpublic.net/hi_maui_search.php?county=hi_maui&search=parcel. Lastly, if an online search does not find building permits for the original buildings and/or all later modifications, you may need to contact the offices of the Department of Public Works (DSA Permit Section, 270-7250), or the RPT office in the County Service Center at Maui Mall in Kahului (270-7297) to see if they have permit records which are not online. Note that building permits were not required prior to 1952: in these cases submit evidence, such as Real Property Tax records, that a dwelling was built prior to 1952.
19. Submit **proof of meeting the prior-five-year requirement**, i.e., that the proposed STRH dwelling(s) is a single-family structure that had completed construction at least five (5) years prior to the date of application for the STRH permit. Methods of proof include Real Property Tax records showing the dwelling-related historical tax assessments, final approval of building permits issued for the dwelling, a published *Owner's Notice of Completion of Contract*, or an affidavit from the licensed contractor who built the original single-family structure (19.65.030(O)).
20. If a Department of Public Works Miscellaneous Inspection Report is being submitted to satisfy checklist item #18, please skip this checklist item: Submit **proof that the proposed STRH facility meets the minimum health and safety standards** established by the Department of Planning. Either a Department of Public Works *Miscellaneous Inspection Report (building, plumbing, and electrical)* for the structures to be used for the short-term rental operation, or a Department of Planning *Short-Term Rental Home Inspection Report*. For information on the *Miscellaneous Inspection Report* contact DSA's Permit Section at 270-7250 (19.65.050(A)(7)).
21. Submit numbered and labeled photographs of the proposed STRH dwelling(s) and surrounding site. At a minimum, the photos should include: (1.) views from the proposed short-term rental home in all directions (North, South, East, and West) showing surrounding lots; (2.) all bedrooms, indicating which are for short-term rental and which are not; (3.) all common areas; (4.) any other you feel would be helpful in visualizing the site.
22. If the property is subject to **private conditions, covenants, or restrictions**, complete items A and B below. If no such association or entity exists, these requirements shall not apply (19.65.030(J)(N)).
- A. Submit copies of any applicable **private conditions, covenants, or restrictions** to which the property is subject, including homeowner or condominium association bylaws or rules; **and**
- B. Submit correspondence from the association or other entity responsible for the enforcement of the conditions, covenants, or restrictions. The correspondence shall include specific conditions that determine whether or not the proposed short-term rental home use is allowed.

- 23. Submit a copy of the **House Policies** that will be posted prominently in each STRH dwelling (19.65.030(Q)). The house policies shall include, at a minimum, the following provisions:
 - a. Quiet hours from 9:00 p.m. to 8:00 a.m., during which time the noise from the short-term rental home shall not unreasonably disturb adjacent neighbors. Sound that is audible beyond the property boundaries during non-quiet hours shall not be more excessive than would be otherwise associated with a residential area;
 - b. Amplified sound that is audible beyond the property boundaries of the short-term rental home is prohibited;
 - c. Vehicles shall be parked in the designated onsite parking area and shall not be parked on the street;
 - d. No parties or group gatherings other than registered guests shall occur; and
 - e. For homes on the shoreline, please include the following: "Note: the shoreline area is the property of the people of Hawai'i, and is open for the free use by everyone."

- 24. Submit a copy of the sleeping-room **Fire Escape Plans** that will be posted within each guest sleeping-room (19.65.050(A)(8)). The exit plan(s) are unique to each bedroom and shall include, at a minimum, the following:
 - a. Complete floor plan of short-term rental home;
 - b. "You are here" marked on the exit plan;
 - c. Arrows indicating the exit path for only that sleeping room;
 - d. Meeting place to assemble after exiting building; and
 - e. Location(s) of all fire extinguishers.

Install fire extinguisher(s) with a minimum rating of 2A10B:C, within a seventy-five foot (75') travel distance of **all** interior portions of the facility. The fire extinguisher(s) shall be mounted in a clearly visible and accessible location to potential users.

- 25. Submit a **digital copy in PDF format** of the completed application packet. Arrange the PDF in the order of the checklist including all of the submittals required in checklist Items 1 – 27. In the case of 11"x17" and other large format plans a separate PDF may be submitted.

Additional documents required if property is located within the State Land Use Agricultural District.

- 26. A **completed State Land Use Commission Special Use Permit application** and its non-refundable filing fee are required. The fee is discounted fifty percent (50%) as a "second permit fee." The application form is available online at the [Land Use Commission Special Permit page](#).
- 27. An **implemented Farm Plan** is required for the Short-Term Rental Home Permit, pursuant to 19.30A.050(B)(12). For parcels with existing Farm Plans a *Farm Plan Implementation Inspection* can be arranged by calling the Zoning and Enforcement Division (ZAED) of the Department of Planning at 808-270-7253. For parcels without existing plans the Farm Plan Application (FRMP) can be found at the [Farm Plan Application page](#).
- 28. For **agency transmittal for the Land Use Commission Special Use Permit**, please submit two (2) additional copies of STRH Application Checklist Items Nos. 3, 13, 14, 15, 16, and 20, as well as two (2) additional copies of the: (1.) Land Use Commission Special Use Permit application page; (2.) reasons justifying the use; and (3.) the report identifying reasons the proposal is a "reasonable and unusual use."

IMPORTANT NOTE: Please keep extra copies of all submitted items for your records and to provide additional copies to the Department for agency transmittal.
