1. Be the administrative head of the department of police.
2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.

Long Term Direction and Executive Highlights

We are guided by our Goals and Objectives in our daily operations. We are committed to excellence through effective leadership and strategic planning. We understand that our operational resources are directly related to the economic status of our county, state, and country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public's confidence in the Maui Police Department, and our never-ending pursuit to rid our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

It is our duty to protect our community from catastrophic threats such as active shooter killings and terrorism, which has inflicted predisposed safe communities throughout our nation and similar in character to our own community. Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for.

Continued compliance with the national standards set by the Commission on Accreditation for Law Enforcement Agencies (CALEA) is important to maintaining the public's confidence in our agency. We will continue compliance to the standards and begin to prepare for our seventh accreditation assessment in 2016.

Continuing long term projects include the creation of a Behavioral Health Unit to respond to calls received involving mentally ill or persons in crisis, the construction of a new police station on Molokai, installation of a photovoltaic system at the Kihei Station, and the decentralization of the Wailuku District by creating a new Upcountry District and full service police facility.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.

The Criminal Intelligence Unit issued 463 intelligence and officer safety advisories throughout the year. The Unit also documented 294 intelligence reports relative to criminal activities. Criminal activities include organized crime and crime figures, their associates and suspected businesses, the distribution and sales of illegal narcotics by drug trafficking organizations, gambling activities to include cockfighting and prostitution, and weapons violations.

Captain Everett Ferreira was in command of the Quality Assurance Section for the entire year. He was assisted by Sergeant Harry Matsuura Jr.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

Everett Ferreira

January through May, the Quality Assurance Section was responsible for the legislative activities of the Department. In March 2015, an employee survey was distributed to all personnel in the Investigative Services Bureau, the Uniformed Services Bureau, the Office of the Chief, and the Administrative Services Section.

During the year, the Quality Assurance Section conducted biennial staff inspections of the Investigative and Support Services Bureau divisions and sections, six unannounced district evidence/property inspections and six announced district evidence/property inspections. The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace, prevention of crime, and protection of life and property. The Traffic Section provides services in the enforcement of laws and ordinances pertaining to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plain clothes investigative unit that provides county-wide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.

Clarence Kenui

HITT responded to 51 callouts and manned traffic posts for a total of 249 hours.

Officer David Wikoli served as the Parking Enforcement Officer for Wailuku in 2015. His primary responsibility is to mitigate traffic congestion in Wailuku Town, and ensure that the area is monitored, regulated and enforced in conjunction with applicable traffic laws and ordinances.

DISTRICT II, LANAI

Ryan Rodrigues

Lieutenant Ryan Rodrigues was in command for the entire year. Sergeants Nicholas Angell and Kimberly Masse served as district supervisors throughout the year.

2015 saw a 21% increase in adult arrests due to the number of males arrested jumping from 79 in 2014 to 100 in 2015. There was also an 89% boost in the number of charges associated with the arrests following declining numbers in the past 3 years. Thirty-nine percent of all charges were drug related, due in great part to district officers making intelligent observations while on patrol and executing productive search warrants throughout the year.

Community involvement was at an all-time high in 2015. The staff continued its traditional participation in events such as Read Across America, the school's annual kite flying contest, and the holiday Kahiau Project. More than 80% of our accidents occur on the Hana Highway, which is a 46 mile stretch of roadway that winds and curves along the rugged coastline of East Maui offering scenic ocean views and picturesque waterfalls along the roadway. The drive to Hana is a very popular experience for tourists, yet can be very difficult and distracting for the newcomer because of the views, as they are the ones involved in a majority of our accidents.

William Hankins

In 2015, Hana District officers issued a total of 1,388 citations, a 2% decrease from the 1,417 citations issued in 2014. Consistent traffic enforcement was conducted in all areas of the district throughout the year. The decrease in citations is attributed to proactive efforts and continued education by officers to enforce traffic and parking regulatory standards and the impact of addressing complaints of non-compliance with posted speed limits.

Calls for service decreased by 9%, from 2,348 in 2014 to 1,620 in 2015. District officers made 224 arrests in 2015, as compared to 183 arrests in 2014, an 18% increase.
