STANDARDS FOR STREET NAMING AND RENAMING (SECTION 2.98.040, MAUI COUNTY CODE)

Streets shall be named in the Hawaiian Language with appropriate diacritical marks and whenever possible have a meaning that relates to the area's historic significance or follows a uniform theme (i.e. fish, flowers, people, etc.). The reference text for Hawaiian language, place names, and persons shall be the most recent edition of the Hawaiian Dictionary by Pukui/Elbert, and Ulukau, the Hawaii Electronic Library, available online at ulukau.org.

Using a street name more than once on any island shall be avoided as much as practical. Private street names shall not closely resemble existing public streets. Existing streets shall retain the name which has been historically accepted through common usage unless the street is renamed by the Maui County Council.

The Public Works Commission shall review applications for naming new public and private streets and provide its recommendations to the Director of Public Works for approval or denial.

The Public Works Commission and the Cultural Resources Commission shall review applications for renaming existing public or private streets and provide recommendations to the Maui County Council. The Council may adopt, modify, or reject the recommendations. Approval of a street name shall be by resolution.
