WEST MAUI COMMUNITY PLAN

What is the West Maui Community Plan?

The West Maui Community Plan provides guidance on future development and revitalization in West Maui.

The Community Plan will guide what future growth should look like and provides recommendations for future transportation systems, parks, greenways and infrastructure.

The Community Plan will help bring to life the community's vision for the future of West Maui.

Why does it need to be updated?

The planning period for community plans is 20 years.

The West Maui Community Plan was last updated in 1996.

The Community Plan is due for an update in order to...

Reflect current and anticipated conditions in West Maui.

Address area-specific challenges and opportunities.

Include your voice.

How is it used?

The County will use the West Maui Community Plan as a guide for...

Developing annual and capital improvement program budgets.

Reviewing proposed development projects.

Updating the zoning ordinance and other regulations.

Establishing new programs impacting the West Maui area.

How does it relate to me?

The West Maui Community Plan will shape future growth and the character of future development within towns and neighborhoods.

The Community Plan will guide the development and revitalization of the areas where you live, work, shop and play.

This is an opportunity for you to have your voice heard and influence the future vision of your community!
