

# Permitted Bed and Breakfast Homes (B&Bs)

Owner must live on-site (or manager in some cases)

Issue/Renew Dates through 03/31/2023

## Maui

There are more than 16,000 units (i.e., apartments, condos, houses) that are legally eligible to operate as short-term (less than six months) rentals without requiring a Bed & Breakfast Permit or Conditional Permit. These units are generally located in districts zoned for hotel use, but some are also located in apartment districts, or are covered by other pre-existing situations. The operation of short-term rentals in these zoning districts is consistent with current County of Maui zoning ordinances, Community Plans, General Plan, and State law. All short-term rentals are also required to pay State of Hawaii General Excise Tax (GET) and Transient Accommodation Tax (TAT). It is recommended that you inquire with the owner as to whether they are operating in compliance with all current laws.

Outside of the above zoning districts, there are short-term rentals that have received permits to operate as a bed and breakfast. All bed and breakfast operations are required to have the owner (or lessee in some cases) live onsite or within the bed and breakfast home, all parking is required to be onsite (no parking on the street), and all advertising must include the bed and breakfast permit number indicated below.

The County's permit database (which may not be fully complete) includes the list below of approved Bed & Breakfast Permits from the County of Maui.

### Hana Community Plan Region - Limited to 48 permits

# Permitted Bed and Breakfast Homes (B&Bs)

Owner must live on-site (or manager in some cases)

Issue/Renew Dates through 03/31/2023

## Lanai and Molokai

There are more than 16,000 units (i.e., apartments, condos, houses) that are legally eligible to operate as short-term (less than six months) rentals without requiring a Bed & Breakfast Permit or Conditional Permit. These units are generally located in districts zoned for hotel use, but some are also located in apartment districts, or are covered by other pre-existing situations. The operation of short-term rentals in these zoning districts is consistent with current County of Maui zoning ordinances, Community Plans, General Plan, and State law. All short-term rentals are also required to pay State of Hawaii General Excise Tax (GET) and Transient Accommodation Tax (TAT). It is recommended that you inquire with the owner as to whether they are operating in compliance with all current laws.

Outside of the above zoning districts, there are short-term rentals that have received permits to operate as a bed and breakfast. All bed and breakfast operations are required to have the owner (or lessee in some cases) live onsite or within the bed and breakfast home, all parking is required to be onsite (no parking on the street), and all advertising must include the bed and breakfast permit number indicated below.

The County's permit database (which may not be fully complete) includes the list below of approved Bed & Breakfast Permits from the County of Maui.
