

# Permitted Transient Vacation Rentals (TVRs)

Owner/Manager may or may not live on-site

Issue/Renew Through 12/31/2023

There are more than 16,000 units (i.e., apartments, condos, houses) that are legally eligible to operate as short-term (less than six months) rentals without requiring a Bed & Breakfast Permit or Conditional Permit. These units are generally located in districts zoned for hotel use, but some are also located in apartment districts, or are covered by other pre-existing situations. The operation of short-term rentals in these zoning districts is consistent with current County of Maui zoning ordinances, Community Plans, General Plan, and State law. All short-term rentals are also required to pay State of Hawaii General Excise Tax (GET) and Transient Accommodation Tax (TAT). It is recommended that you inquire with the owner as to whether they are operating in compliance with all current laws.

Outside of the above zoning districts, there are short-term rentals that have received approval to operate with a Conditional Permit. The County's permit database (which may not be fully complete) includes the list below of TVR Operations with an approved Conditional Permit from the County of Maui.
