

ALAN M. ARAKAWA
MAYOR

KEITH A. REGAN
MANAGING DIRECTOR

OFFICE OF THE MAYOR

Ke'ena O Ka Meia
COUNTY OF MAUI – Kalana O Maui

FIRST SUPPLEMENTARY PROCLAMATION

By the authority vested in me as Mayor by the Revised Charter of the County of Maui (1983), as amended, and the Constitution and laws of the State of Hawaii, in order to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, and pursuant to the authority granted to me by Mayor Alan M. Arakawa, by his letter dated January 19, 2018, to serve as Acting Mayor during Mayor Arakawa's absence from 1:36 p.m., Saturday, January 20, 2018, until his return, anticipated to be Saturday, January 27, 2018, at approximately 6:44 p.m., I, KEITH A. REGAN, Acting Mayor of the County of Maui of the State of Hawaii, hereby determine, designate and proclaim as follows:

WHEREAS, Chapter 127A, Hawaii Revised Statutes ("HRS") empowers me, Keith A. Regan, as Acting Mayor of the County of Maui of the State of Hawaii, as the sole judge that an emergency or disaster has occurred or of the existence of imminent danger or threat of an emergency or disaster in any portion of the county; and

WHEREAS, the County-owned rights of way in the Piiholo Road area on the island of Maui continue to have an excessive number of dead eucalyptus trees ranging from 70–100 feet in height, which present the ongoing danger of falling onto Piiholo Road, endangering passing motorists or pedestrians, and pose an imminent threat to life and property, especially during the rainy season when rain-softened soil combined with tall dead trees amplify the risk of falling trees, and based upon the expertise available to me, I have determined that the dead trees pose an imminent danger of death, injury, and property damage to residents of Maui County, and visitors using Piiholo Road, thereby endangering the health, safety, and welfare of the people, which warrants continuing the County's preemptive and protective action to mitigate this hazardous situation and to provide for the health, safety, and welfare of the people, and to avoid property damage, injury or death; and

WHEREAS, there is ongoing need to continue to mitigate the threat of an emergency or disaster for a portion of the county due to the imminent falling of dead trees from the County's right of way along Piiholo Road on the island of Maui, and it has become necessary to supplement the Proclamation of November 28, 2017, in order to extend the period of time required to protect

public and private property, residents and visitors who may travel on Piiholo Road, and to ameliorate and mitigate the hazardous situation described above;

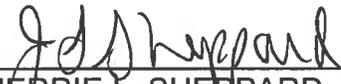

NOW, THEREFORE, pursuant to Section 14(b), HRS Chapter 127A, I, KEITH A. REGAN, Acting Mayor of the County of Maui, do hereby further determine that there presently exists an ongoing threat of falling of dead eucalyptus trees along County-owned rights of way in the Piiholo Road area on the island of Maui and I DO HEREBY PROCLAIM that all of the provisions of the Proclamation of November 29, 2017, shall remain in full force and effect and are hereby included in the provisions of this First Supplementary Proclamation. I further declare and proclaim that the disaster emergency relief period shall continue through March 29, 2018, and that any projects initiated under the original Proclamation or this First Supplementary Proclamation, shall continue to be subject to this First Supplementary Proclamation until project acceptance and any final accounting or payment obligations, whichever is later. Pursuant to this First Supplementary Proclamation, I hereby exercise any and all powers listed in Sections 12 and 13 of Chapter 127A, HRS.

Done at the Kalana O Maui Building,
This ~~23rd~~ day of January, 2018.

KEITH A. REGAN, Acting Mayor
County of Maui
