WEST MAUI COMMUNITY PLAN

Community Design Activities

Event

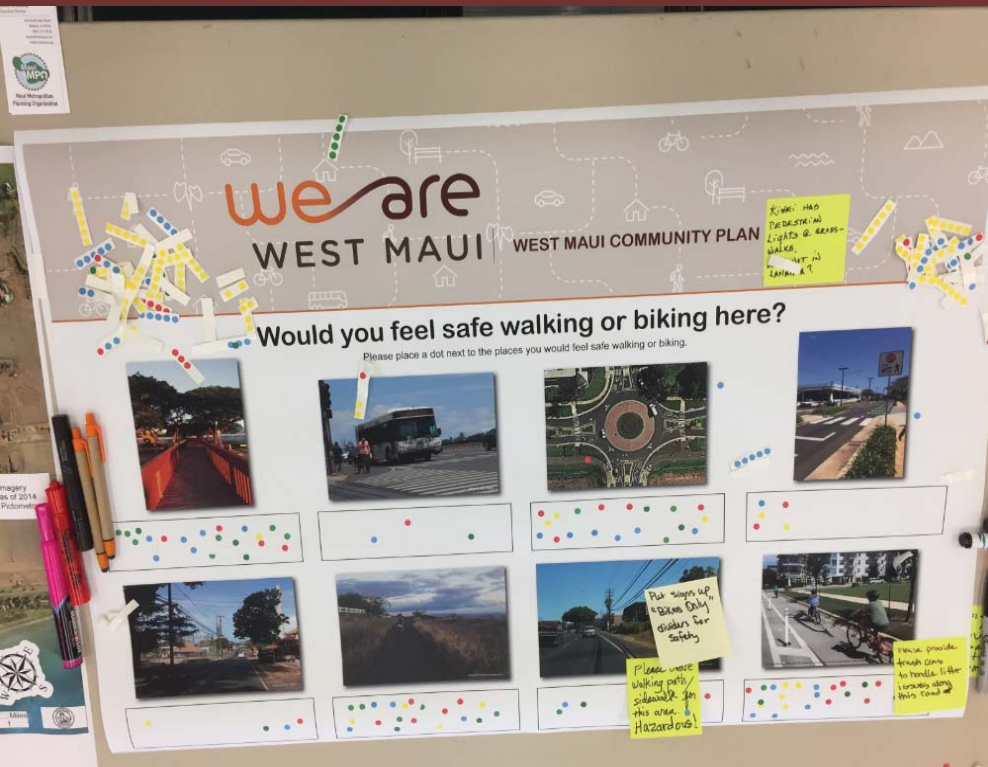

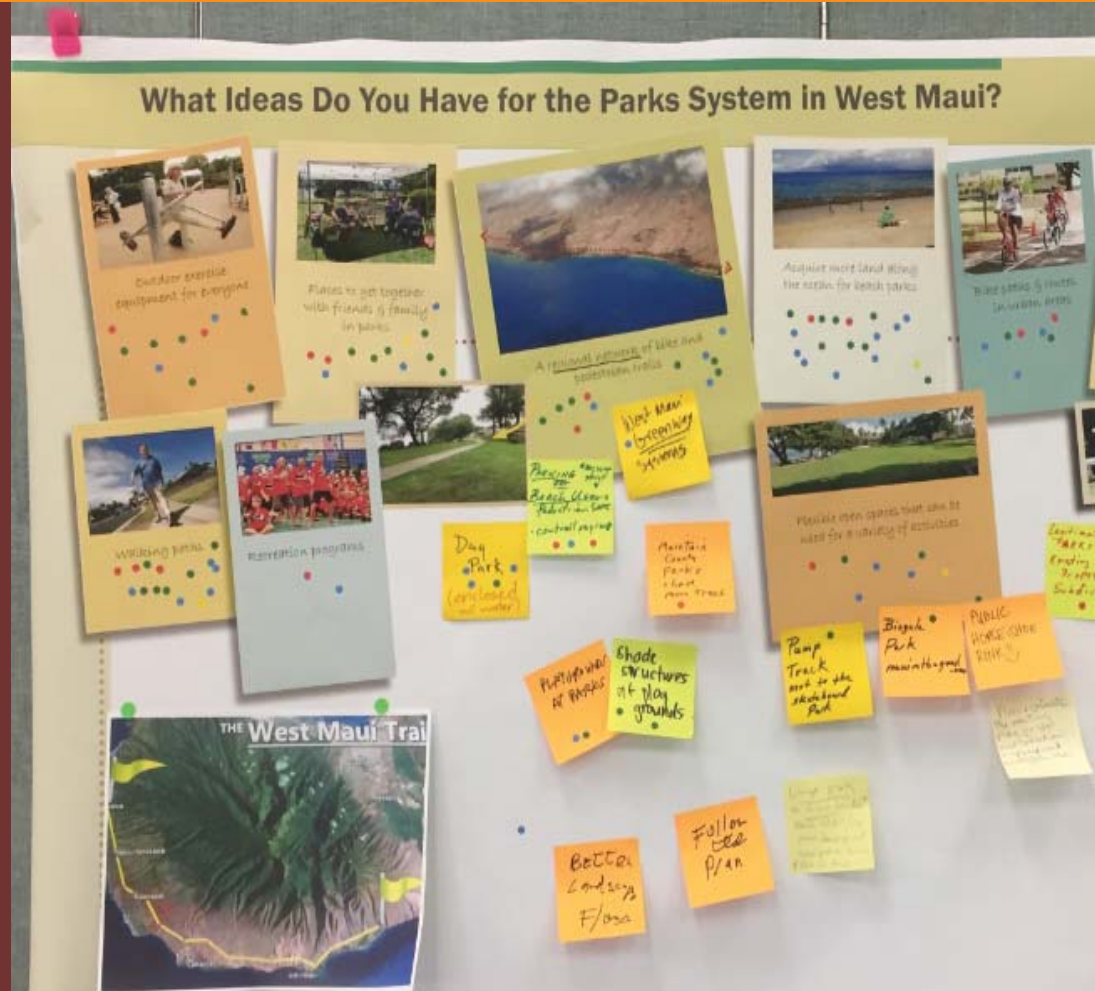

The West Maui community gathered to provide feedback on topics such as housing options, redevelopment possibilities, and walking and biking improvements.

The open house setting, including indoor and outdoor activities, provided an opportunity for attendees to learn about and discuss how the design of the community impacts our daily lives.

Activities

Community members provided input on various topics. The following is a sample of the various community design activities:

- Complete Streets Improvement Opportunities
- Infill and Redevelopment Opportunities
- Share Your Ideas for the Park System
- What Does Livability Mean to You?
- Would You Consider Living Here?
- Would You Feel Safe Walking or Biking Here?
- Mock Round-About (Walking Demonstration)

Attendance and Partners

Over 100 people took part in hands-on activities, sharing their thoughts with the Planning Team, their friends and their neighbors.

The Maui Metropolitan Planning Organization, Maui County Departments of Parks, Maui County Department of Public Works, and the Healthy Eating Active Living (HEAL) Coalition all contributed to the success of the event!
