

STADIUM COMMUTER BUSES

(From War Memorial Stadium to West & South Maui)

PARKING RELOCATION

Effective Monday, February 3, 2020, the stadium commuter parking will be temporarily relocated to the U-Haul parking lot, at the former K-Mart facility. The address is listed as 424 Dairy Road. As you enter the U-Haul facility, please park your vehicle on the left side of the parking lot, closer to Costco.

The Parks & Recreation Department is re-surfacing the entire stadium parking lot, and this project is expected to last approximately (8) months, until the end of September.

Please note, the commuter bus will not be servicing the Waikapu area during this period.

Please park in this yellow box area here.

Please enter the facility here.
