

REQUEST FOR SOLE SOURCE

TO: CHIEF PROCUREMENT OFFICE, COUNTY OF MAUI FINANCE DEPARTMENT

FROM: Management -- ITS Division
(Department/Division/Agency)

RE: REQUEST FOR SOLE SOURCE APPROVAL

Pursuant to '103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:

Life-cycle Managed Services for County of Maui Mobile Data Terminal maintenance, support, and replacement.

Name of vendor: Stommel, Inc. DBA Lehr Auto Electric

Cost: \$1,401,959.85 _____

Term of contract: From July 1, 2020 To June 30, 2025

Prior Sole Source Reference No.(s), if any:

- (1) The goods, services, or construction has the following unique features, characteristics, or capabilities:
Comprehensive maintenance, configuring, installation, replacement, and support provided by manufacturer's designated channel partner with established in-State presence, providing full product support authorized by manufacturer.

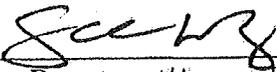

- (2) How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:
The comprehensive life-cycle services will ensure that the Maui Police Department and the Maui Fire Department can avoid technological obsolescence for their mobile data terminals, protecting compatibility of the equipment with supported versions of the Police Dispatch and Records Management applications, as well as with the wireless infrastructure providing connectivity away from the stations. County IT staff must rely on the vendors specific expertise to keep the mobile data terminals operational.

- (3) The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:
The vendor has an established relationship with the County of Maui providing MDT equipment on behalf of the manufacturer. They are the only ones with the known ability to provide onsite installation services in combination with full configuration and support services geared toward the life-cycle maintenance of this equipment. The vendor is the designated outfitter for MPD's police vehicles, prepping them to Department standards for use as marked patrol cars.

Direct questions to: Jacob Verkerke, CTO ph. 808.270.7538

A completed Notice of Sole Source is attached.
