Dear Chair Leach and Members:

Chief of Police
Charter Provision

The duties and functions of the Chief of Police are defined in Section 8-12.4 of the Charter, which states that the Chief of Police shall:

1. Be the administrative head of the department of police.

2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.

3. Be responsible for traffic safety and traffic safety education.

4. Train, equip, maintain and supervise the force of police officers and employees of the department.

5. Have such other powers and duties as may be assigned by the mayor or as may be provided by law.
Long Term Direction and Executive Highlights

We continue to be guided by our Goals and Objectives in our daily operations and our planned efforts as well. We are committed to excellence through effective leadership and strategic planning.

We understand that our operational resources are directly related to the economic status of our county, our state, and our country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public’s confidence in the Maui Police Department, and our never-ending pursuit of ridding our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for. We emphasize strict motor vehicle law compliance throughout the year and target speed violators, distracted drivers, and the driving under the influence driver.

Continuing long-term projects include the creation of a Critical Outreach and Response through Education Unit (CORE), the construction of a new police station on Molokai, and re-establishing the Cadet Program. The new C.O.R.E. Unit will focus on proactive ways to reduce systemic problems in the community that impact quality of life and increase trust in our police officers through community partnerships. The Cadet Program provide students who are interested in law enforcement careers, an opportunity to observe the functions of a police department.

Department highlights in 2018 included participation in the Medication Drop Box Program, the implementation of the use of nasal naloxone, and the re-introduction of the Reserve Officer Program. Through the Medication Drop Box Program, the Maui Police Department placed drop boxes to collect unused medications in each Police District in Maui County. The goal of the drop boxes is to drugs from being abused or improperly disposed of. The implementation of the use of nasal naloxone is to treat and reduce the severity of injuries and fatalities due to opioid involved overdoses. The Reserve Officer Program provides an opportunity for recent retirees from the Department or police officers who separated in good standing to volunteer as law enforcement officers.

Continued compliance with the national standards set by the Commission on Accreditation for Law Enforcement Agencies (CALEA) is important to maintaining the public’s confidence in our agency. We successfully completed our eighth accreditation assessment in 2017.

Administrative Services

Melissa Magonigle supervised the Administrative Services Section for the year.

Expenditures for the Department in 2018 totalled $56,143,988. This reflects an increase of $222,088 from 2017 expenditures, which were $55,921,900. As in years past, Personnel Services (salaries) was the largest single expenditure. The 2018 total of $42,526,238 attributed to salaries, which reflects 76% of all expenditures for the year. By comparison, 2017 Personnel Services expenditures totalled $42,037,987 or 79% of that years’ spending.

As of December 31, 2018, total Department strength was 435. Throughout the year, 16 department personnel retired.

Criminal Intelligence

Lieutenant Wade Anzai was in command of the section for the entire year. The Unit operates under the direct supervision of the Chief of Police and the Deputy Chief of Police.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.
Internal Affairs

Captain Peter Delima was in command of the section for the year. The section operates under the direct supervision of the Chief of Police and Deputy Chief of Police.

The Internal Affairs Section continues to perform a wide variety of functions within the Department. These include administrative investigations and inquiries, participation in the Department’s Drug Testing Program; police officer recruitment, testing and processing; required sworn and civilian background checks; review of all use of force, vehicle pursuits and motor vehicle accidents involving department vehicles; and assisting the Records Section with the proper destruction of evidence.

The Internal Affairs Section is also involved in providing assistance to the Corporation Counsel relative to civil lawsuits and related matters as well as responding to subpoenas for release of administrative investigation records.

In 2018, respective elements of the Department conducted 69 formal investigations and 43 inquiries. Internal Affairs assisted in the drug testing of 317 employees and conducted 171 background checks.

Quality Assurance

The Quality Assurance Section was under the command of Captain Stephen Orikasa, who was assisted by Sergeant Harry Matsuura for the majority of 2018. Captain Wade Maeda took command of the section in October 2018.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

Throughout the 2018 Hawaii Legislative Session, the Quality Assurance Section was responsible for monitoring and providing commentary and testimony, as required, for the Department. The Hawaiian Islands Police Accreditation Coalition recognizes and supports the concept of accreditation for Hawaii law enforcement agencies.

The Quality Assurance Section conducted a study on the Traffic Section’s Solo Motorcycle Detail and determined that the back to back accidents involving the officers were not due to training, leadership or negligence. Chief Tivoli Faaumu subsequently made the decision to reinstate the Solo Motorcycle program.

Although re-accreditation is not until 2021, the Quality Assurance section continues to complete the online assessment with the CALEA accreditors. We will continue to work with the accreditors so that we will be awarded our 9th Accreditation from CALEA.
Uniformed Services Bureau

Assistant Police Chief John Jakubczak was in command of the Uniformed Services Bureau for the entire year.

The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plain clothes investigative unit that provides county-wide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.

DISTRICT I, WAILUKU

Captain Ricky Uedoi was in command of the Wailuku Patrol District for the entire year.

During the year, officers of the Wailuku Patrol District received 53,648 calls for police service, compared to 53,411 in 2017. Thirty-four percent of the calls received resulted in an officer documenting a report. District personnel also made 4,981 arrests, 1,966 were for bench warrants, and 152 were for operating a vehicle under the influence of an intoxicant.

The district’s traffic enforcement efforts in 2018 resulted in the issuance of 14,288 citations. Our personnel also conducted 23 sobriety checkpoints for the year. We understand the importance to maintain and improve safety on our highways and continue to ensure that our officers try their best to meet performance standards in this area.

Sergeant Aylett Wallwork supervised the Community Oriented Policing (COP) Program, the Alternative Call Servicing Unit (ACS), and the Highway Incident Traffic Team (HITT) for the year. The purpose of the Community Oriented Policing (COP) Program is to enhance public service and facilitate contact between citizens and police officers. The Alternative Call Servicing Unit handles “over the telephone” non-felony reports which do not require the presence of a police officer. The HITT Unit is utilized for major incidents that have occurred on our highways that affect the motoring public for extended periods of time. HITT responded to 58 callouts and manned traffic posts for a total of 216 hours.

Officer Frank Kuamoo served as the Parking Enforcement Officer for Wailuku in 2018. His primary responsibility is to mitigate traffic congestion in Wailuku Town, and ensure that the area is monitored, regulated and enforced in conjunction with applicable traffic laws and ordinances. Officer Kuamoo issued 1,837 citations and generated 69 cases during the year.
DISTRICT II, LANAI

Lieutenant Ryan Rodrigues was in command of the Lanai District for the entire year. Sergeants Kimberly Masse and Jeremy Pallone-De La Torre served as district supervisors.

Lanai District personnel participated in a variety of community programs and events throughout the year to include the Lanai High and Elementary Career Day, the Junior Police Officer Program, Cop on Top, and the Kahiau Project. Lanai District personnel also focused on developing and strengthening ties within the community through youth activities, particularly via youth sports such as football and basketball.

There were 3,113 calls for service in 2018, as compared to 3,464 calls in 2017. In 2018, 66 adults and 63 juveniles were arrested, a decrease from the 77 adults and 35 juveniles arrested in 2017.

Officers issued a total of 781 citations for the year to include 53 moving violations, 593 regulatory violations, 37 seat belt violations, and 98 parking violations. There were 42 motor vehicle crashes documented in 2018, as compared to 29 in 2017.

DISTRICT III, HANA

Lieutenant William Hankins was in command of the Hana District for the entire year. At the close of 2018, he was assisted by Sergeants Christine Bonacorsi and Dennis Arnds.

Hana District personnel participated in a variety of community programs and events throughout the year to include the Hana Canoe Regatta, the Labor Day Mountain Ball Tournament, the Aloha Week Festivities, the East Maui Taro Festival, and the Annual Limu Festival.

Motor vehicle crashes for the Hana District decreased by 2% from 128 crashes in 2017 to 126 in 2018. More than 80% of our accidents occur on the Hana Highway, which is a 46 mile stretch of roadway that winds and curves along the rugged coastline of East Maui. The drive to Hana is a very popular experience for tourists, yet can be very difficult and distracting for the newcomer because of the views, as they are the ones involved in a majority of our accidents.

Officers made 144 arrests in 2018, as compared to 152 arrests in 2017, a 5% decrease. In 2018, Hana District officers issued 2,102 citations, a 15% decrease from the 2,482 citations issued in 2017. The decrease in citations is attributed to voluntary compliance, as well as proactive efforts by officers to actively enforce traffic and parking regulatory standards, as well as addressing complaints of non-compliance with posted speed limits in 2018.
DISTRICT IV, LAHAINA

Captain David Silva was in command of the Lahaina Patrol District for the entire year.

During the year, several problems were identified and addressed through strategies involving aggressive enforcement of existing laws. The top concerns identified by the community were drug activity, homeless issues, speeding and parking violations, and impaired driving enforcement.

The task of removing impaired drivers requires constant vigilance. Operating a vehicle under the influence of an intoxicant (OUI) arrest is a direct intervention aimed at reducing highway injuries and deaths. Patrol and OUI Units have been instrumental in detecting and apprehending impaired drivers in the district. There were a total of 77 OUI arrests in 2018, a decrease of 27% from the 105 arrests for OUI in 2017.

The District issued 11,570 citations in 2018: 260 for speeding, 1,122 for moving violations, 89 for seat belt violations, 6,974 for parking violations, and 3,108 for other traffic infractions.

DISTRICT V, MOLOKAI

Captain Jeraul Pladera was in command of the Molokai Patrol District for the entire year. He was supported by Lieutenant Jamie Winfrey as night commander.

Officer Sepulona Falealii served as the Community Police Officer for the District. Throughout the year, he taught D.A.R.E. classes and conducted numerous presentations to school students. He continued to address community concerns and participated in or conducted numerous meetings with various community organizations.

Officers issued 1,733 citations for the year to include 224 moving violations, 50 seat belt violations, 113 parking violations, and 1,346 other violations. Officers made 751 arrests, to include seven for operating a vehicle while under the influence of an intoxicant.
DISTRICT VI, KIHEI

Throughout the year, Kihei District officers conducted bicycle patrols and ATV patrols of the district’s parks and beaches. This activity serves both as a proactive crime prevention measure and a means to enforce violations not typically accessible to officers from their patrol vehicles.

Kihei District officers continue to proactively conduct traffic enforcement on Mokulele Highway, Piilani Highway, Honoapiilani Highway, South Kihei Road, Makena Alanui and other roadways where current and previous complaints were received. District personnel made 90 traffic related arrests, 63 Operating Under the Influence (OUI) arrests, conducted 10 OUI checkpoints, and issued 8,978 citations in 2018.

In 2018, the unit executed 59 search warrants and made 533 criminal arrests.
TRAFFIC SECTION

Lieutenant William Gannon was in command of the Traffic Section for the entire year. He was supported by Administrative Sergeant Kenneth Kihata, OUI Task Force Sergeant Nicholas Krau, and Solo Bike Sergeant Gregg Rowe.

The primary goal of the Traffic Section is highway safety for all users. The Section will continue to aggressively enforce the traffic laws with a greater emphasis on impaired drivers, speeding, reckless drivers, and those who utilize mobile electronic devices while driving. These violators pose the greatest dangers to other highway users. We will also continue to educate people through presentations and public service announcements.

There were 16 fatal traffic crashes resulting in 18 traffic fatalities in 2018. Speed was a factor in six of the fatal crashes, alcohol in five of those crashes.

Impaired driving is always a concern for law enforcement and the community in general. Aggressive enforcement, saturated patrols, holiday roadblocks, and press coverage have been used as strategies to try and curb impaired driving. In 2018, the OUI Task Force arrested 331 people for driving under the influence.

The Maui Police Department issued 2,946 citations for Mobile Electronic Device, with the Traffic Section issuing 2,425 of those citations. Department wide, 5,442 speeding citations were issued for speeding, with the Traffic Section issuing 4,162 of those citations. The Traffic Section issued 1,907 seat belt citations in 2018.

In 2018, the Special Response Team was activated on 11 occasions and made 389 warrant arrests.

VICE DIVISION

Captain Donald Kanemitsu was in command of the Vice Division for the entire year.

The importation, distribution, sales, and use of illicit narcotics continues to be a significant problem for Maui County. The goal of the Vice Division continues to be the disruption and dismantling of upper level drug trafficking organizations and to intercept illegal drugs prior to infiltrating our community.
