Mr. Randol Leach, Chair
And Members
Maui Police Commission
County of Maui
55 Mahalani Street
Wailuku, HI 96793

Dear Chair Leach and Members:

In accordance with the provisions of Section 13-7 of the Maui County Charter, we are pleased to submit the 2017 Annual Report of the Maui Police Department.

The information contained in this Annual Report cannot fully describe the commitment and sacrifices of our officers and employees and the application of their skills and knowledge necessary to fight and reduce crime. We strive to provide the best services possible to our residents and tourists of the islands of Lanai, Molokai, and Maui as we dedicate ourselves towards keeping them safe and removing their fears associated with crime, public safety hazards, and new emerging social issues.

We appreciate the opportunity to once again express our deepest gratitude to the Police Commission, the Mayor’s Office, the County Council, and the citizens of Maui County for their continued cooperation and support of our law enforcement agency.

Sincerely,

TIVOLI S. FAAUMU
Chief of Police
Charter Provision

The Maui County Police Department is organized in accordance with Section 8, Chapter 12.1 of the Charter of the County of Maui. There shall be a department of police consisting of a police commission, a chief of police, and the necessary staff.

The duties and functions of the Chief of Police are defined in Section 8-12.4 of the Charter, which states that the Chief of Police shall:

1. Be the administrative head of the department of police.

2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.

3. Be responsible for traffic safety and traffic safety education.

4. Train, equip, maintain and supervise the force of police officers and employees of the department.

5. Have such other powers and duties as may be assigned by the mayor or as may be provided by law.
Long Term Direction and Executive Highlights

We continue to be guided by our Goals and Objectives in our daily operations and our planned efforts as well. We are committed to excellence through effective leadership and strategic planning.

We understand that our operational resources are directly related to the economic status of our county, our state, and our country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public’s confidence in the Maui Police Department, and our never-ending pursuit of ridding our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for. We emphasize strict motor vehicle law compliance throughout the year and target speed violators, distracted drivers, and the driving under the influence driver.

Continuing long term projects include the creation of a Critical Outreach and Response through Education Unit (CORE), the construction of a new police station on Molokai, and the establishment of an Explorers Program. The new C.O.R.E. Unit will focus on proactive ways to reduce systemic problems in the community that impact quality of life and increase trust in our police officers through community partnerships.

Continued compliance with the national standards set by the Commission on Accreditation for Law Enforcement Agencies (CALEA) is important to maintaining the public’s confidence in our agency. We successfully completed our eighth accreditation assessment in 2017.

Administrative Services

Melissa Magonigle was selected to replace Greg Takahashi as Business Administrator after his retirement at the end of March.

Expenditures for the Department in 2017 totalled $55,921,900. This reflects an increase of $2,934,355 from 2016 expenditures which were $52,987,545. As in years past, Personnel Services (salaries) was the largest single expenditure. The 2016 total of $42,037,987 attributed to salaries, which reflects 79% of all expenditures for the year. By comparison, 2016 Personnel Services expenditures totalled $42,037,987 or 79% of that year’s spending.

As of December 31, 2017, total Department strength was 481. Throughout the year, 18 department personnel retired.

Criminal Intelligence

Lieutenant Wade Anzai was in command of the section for the entire year. The Unit operates under the direct supervision of the Chief of Police and the Deputy Chief of Police.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.
Internal Affairs

Captain Peter Delima was in command of the section for the entire year. The section operates under the direct supervision of the Chief of Police and Deputy Chief of Police.

The Internal Affairs Section continues to perform a wide variety of functions within the Department. These include administrative investigations and inquiries, participation in the Department’s Drug Testing Program, police officer recruitment testing and processing, required sworn and civilian background checks, and assisting the Records Section with the proper destruction of evidence.

The Internal Affairs Section is also involved in providing assistance to the Corporation Counsel relative to civil lawsuits and related matters as well as responding to subpoenas for release of administrative investigation records.

In 2017, respective elements of the Department conducted 42 formal investigations. Internal Affairs assisted in the drug testing of 499 employees and conducted 171 background checks.

Quality Assurance

Captain Everett Ferreira was in command of the Quality Assurance Section until November 1, when he was replaced by Captain Stephen Orikasa. Sergeant Harry Matsuura assisted the section until December, when he was transferred to the Criminal Investigation Division.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

January through May, the Quality Assurance Section was responsible for the legislative activities of the Department. In August, the Hawaii Police Accreditation Coalition (HIPAC) was formed and registered with CALEA. The HIPAC recognizes and supports the concept of accreditation for Hawaii law enforcement agencies.

In 2017, the Maui Police Department applied for its eighth re-accreditation assessment and received it in July at the CALEA Summer Conference.
Uniformed Services Bureau

Assistant Police Chief John Jakubczak was in command of the Uniformed Services Bureau for the entire year.

The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plain clothes investigative unit that provides county-wide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.

DISTRICT I, WAILUKU

Captain Ricky Uedoi took command of the Wailuku Patrol District for the entire year.

During the year, officers of the Wailuku Patrol District received 58,537 calls for police service, compared to 58,587 in 2016. Thirty-one percent of the calls received resulted in an officer documenting a report. District personnel also made 6,210 arrests, 2,296 were for bench warrants, and 214 were for operating a vehicle under the influence of an intoxicant.

The district’s traffic enforcement efforts in 2017 resulted in the issuance of 16,516 citations. Our personnel also conducted 29 sobriety checkpoints for the year. We understand the importance to maintain and improve safety on our highways and continue to ensure that our officers try their best to meet performance standards in this area.

Sergeant Heather Gilroy supervised the Community Oriented Policing (COP) Program, the Alternative Call Servicing Unit (ACS), and the Highway Incident Traffic Team (HITT) for the entire year. The purpose of the Community Oriented Policing (COP) Program is to enhance public service and facilitate contact between citizens and police officers. The Alternative Call Servicing Unit handles “over the telephone” non-felony reports which do not require the presence of a police officer. The HITT Unit is utilized for major incidents that have occurred on our highways that affect the motoring public for extended periods of time. HITT responded to 58 callouts and manned traffic posts for a total of 257 hours.

Officer David Wikoli served as the Parking Enforcement Officer for Wailuku in 2017. His primary responsibility is to mitigate traffic congestion in Wailuku Town, and ensure that the area is monitored, regulated and enforced in conjunction with applicable traffic laws and ordinances.
DISTRICT II, LANAI

Lieutenant Ryan Rodrigues was in command of the Lanai District for the entire year. Sergeants Kimberly Masse and Pius Taiwerpiy served as district supervisors throughout the year.

Lanai District personnel participated in a variety of community programs and events throughout the year to include the Lanai High and Elementary Career Day, Cop on Top, the Kahiau Project, and Keiki Day.

There were 3,464 calls for service in 2017, as compared to 3,283 calls in 2016. In 2017, 77 adults and 35 juveniles were arrested, a decrease from the 93 adults and 49 juveniles arrested in 2016.

Officers issued a total of 872 citations for the year to include 103 moving violations, 627 regulatory violations, 17 seat belt violations, and 125 parking violations. There were 29 motor vehicle crashes documented in 2017, as compared to 41 in 2016.

DISTRICT III, HANA

Lieutenant William Hankins was in command of the Hana District for the entire year. At the close of 2017, he was assisted by Sergeants Ka Ena Brown and Keoki Santos.

Hana District personnel participated in a variety of community programs and events throughout the year to include the Hana Canoe Regatta, the Labor Day Mountain Ball Tournament, the Aloha Week Festivities, the East Maui Taro Festival, and the Annual Limu Festival.

Motor vehicle crashes for the Hana District decreased by 16% from 128 crashes in 2016 to 108 in 2017. More than 80% of our accidents occur on the Hana Highway, which is a 46 mile stretch of roadway that winds and curves along the rugged coastline of East Maui. The drive to Hana is a very popular experience for tourists, yet can be very difficult and distracting for the newcomer because of the views, as they are the ones involved in a majority of our accidents.

In 2017, Hana District officers issued a total of 2,705 citations, a 9% increase from the 2,482 citations issued in 2016. Consistent traffic enforcement was conducted in all areas of the district throughout the year. The increase in citations is attributed to proactive efforts by officers to enforce traffic and parking regulatory standards and the impact of addressing complaints of non-compliance with posted speed limits in 2017.
DISTRICT IV, LAHAINA

Captain David Silva was in command of the Lahaina Patrol District for the entire year.

During the year, several problems were identified and addressed through strategies involving aggressive enforcement of existing laws. The top concerns identified by the community were drug activity, homeless issues, speeding and parking violations, and impaired driving enforcement.

On October 31, 2017, the Lahaina Town Action Committee and the County Office of Economic Development’s sponsored Halloween festivities kicked off in Lahaina Town with the Keiki Parade. Upon completion of the Keiki Parade, Front Street remained closed to motorists as an estimated crowd of about 20,000 visitors and residents alike attended the event. The street was re-opened about 2300 hours without incident.

The task of removing impaired drivers requires constant vigilance. Operating a vehicle under the influence of an intoxicant (OUI) arrest is a direct intervention aimed at reducing highway injuries and deaths. Patrol and OUI Units have been instrumental in detecting and apprehending impaired drivers in the district. There were a total of 105 OUI arrests in 2017, a slight increase from the 102 arrests for OUI in 2016.

During the year, officers issued 11,016 citations: 279 for speeding, 1,399 for moving violations, 334 for seat belt violations, 6,585 for parking violations, and 2,419 for other traffic infractions.

DISTRICT V, MOLOKAI

Captain Richard Dods was in command of the Molokai District until April 1, 2017 when he was replaced by Captain Jeraul Pladera. Lieutenant Jamie Winfrey was the night commander for the entire year.

Officer Nathaniel Hubbard was the School Resource Officer until he was promoted and replaced by Officer Jonathan Aquino. The School Resource Officer maintains a good rapport with the students and faculty at Molokai Intermediate and High School, and actively conducts conferences and meets with students, parents, and faculty to address such issues as on-campus fighting, gang activity, tardiness and loitering.

Officer Sepulona Falealii serves as the Community Police Officer for the District. Throughout the year, he has taught D.A.R.E. classes and conducted numerous presentations to school students. He addresses community concerns and has participated in or conducted numerous meetings with various community organizations.

Throughout the year, Kihei District officers conducted bicycle patrols and ATV patrols of the district’s parks and beaches. This activity serves both as a proactive crime prevention measure and a means to enforce violations not typically accessible to officers from their patrol vehicles.

Kihei District officers continue to proactively conduct traffic enforcement on Mokulele Highway, Piilani Highway, Honoapiilani Highway, South Kihei Road, Makena Alanui and other roadways where current and previous complaints were received. The Crime Reduction Unit provides services county-wide. The Unit addresses street level illegal drug use and distribution throughout the County of Maui by cultivating information, targeting specific areas, executing search warrants, conducting buy/bust operations, and performing basic street enforcement.

In 2017, the Crime Reduction Unit focused on the apprehension of persons involved with stealing motor vehicles, breaking into vehicles, and being wanted for warrants or All Points Bulletins. The Unit also focused on criminal activity occurring within both County and State parks in the Wailuku, Lahaina and Kihei Districts.

The Crime Reduction Unit also continues to assist other divisions within the Department with their investigations of wanted fugitives by providing information learned from confidential informants or through interrogations of arrestees.

TRAFFIC SECTION

Lieutenant William Gannon was in command of the Traffic Section for the entire year. He was supported by Administrative Sergeant Kenneth Kihata, OUI Task Force Sergeant Nicholas Krau, and Solo Bike Sergeant Gregg Rowe.

The primary goal of the Traffic Section is highway safety for all users. The Section will continue to aggressively enforce the traffic laws with a greater emphasis on impaired drivers, speeding, reckless drivers, and those who utilize mobile electronic devices while driving. These violators pose the greatest dangers to other highway users. We will also continue to educate people through presentations and public service announcements.

There were a total of 18 traffic fatalities in 2017. There were two near fatal crashes investigated by the Vehicle Homicide Unit. Speed was a factor in 6 of the 16 fatal crashes. Alcohol was a factor in 13 of those crashes.

Impaired driving is always a concern for law enforcement and the community in general. Aggressive enforcement, saturated patrols, holiday roadblocks, and press coverage have been used as strategies to try and curb impaired driving. In 2017, the OUI Task Force arrested 313 people for driving under the influence.

In 2017, the Maui Police Department issued a total of 2,583 citations for Mobile Electronic Device, with the Traffic Section issuing 2,055 of those citations. Lieutenant Scott Migita was in command of the Juvenile Crime Prevention Division for the year. At the close of 2017, he was assisted by Operations Sergeant Shane Yoshizawa, SRO Sergeant Terence Gomez, and Supervising Juvenile Counselor Viki Roemmling.

It is the goal of the Juvenile Crime Prevention Division to reduce youth involvement in criminal activity and decrease the incidence of family violence through pro-active measures. Some of the programs to assist in achieving that goal include the Pupukahi I Holomua Initiative, Second Chance, the Positive Outreach Intervention Program (POI), Kalo, Keiki Rap, the Teen Academy, and Ho’ohuli.

The Pupukahi I Holomua Initiative combines all of the resources within the Division to create a comprehensive approach to juvenile crime prevention by establishing teams with assigned responsibility for a specific geographic area, creating consistent contacts with the police, school and community.

The KALO Program is a community based prevention and intervention program to assist youth who have committed status offenses or other minor law violations that did not result in arrest.

The Positive Outreach Intervention (P.O.I.) Program was initiated for juveniles who have been arrested and are awaiting court action. This voluntary program strives to deliver immediate consequences for negative behavior or criminal activity. In 2017, 166 juveniles participated in the P.O.I. Program.

The Teen Academy was designed to broaden understanding of a possible career in law enforcement. The second annual Teen Academy was held from July 17 to 21, with ten participants.

In 2017, the Canine Detail screened approximately 436 parcels, 8,271 storage lockers, 2,527 vehicles, and 8 back packs. The Detail was responsible for generating 66 search warrants and 166 narcotics cases. In addition, there were 17 arrests initiated by the Canine Detail.

The Gambling and Morals Section continued to disrupt and impact gambling and cockfighting enterprises in our communities. The Section investigated 116 gambling related offenses and 38 cockfight cases, which
resulted in 66 gambling arrests, and 40 cockfight arrests. A total of 16 prostitution/pornography related offenses were investigated during the year, resulting in 9 arrests.

Asset forfeiture continues to be an effective instrument utilized against the criminal element. It is commonly known that criminal entities obtain assets through illegal operations, and facilitate illegal transactions through the utilization of some of these assets, in what they propose to be legal enterprises. In 2017, the Unit investigated 28 asset forfeiture cases, continuing to debilitate and hinder the criminal elements.

Support Services Bureau

Assistant Police Chief Sterling Kiyota was in command of the Bureau for the entire year.

The Support Services Bureau oversees the Plans, Training, Research and Development Section, Community Relations Section, Communications Section, Technical Services Division, Technical Support Unit, Motor Pool Section, and Records and Identification Section.

The Community Relations Section continued with its crime prevention programs in the areas of theft, burglary, robbery, neighborhood crime watch, and drug education. The major focus remains on two key programs: Neighborhood and Business Crime Watch and Drug Abuse Resistance Education.

Public presentations continue to be a responsibility for all officers in the section. In 2017, there were 125 requests for public presentations and related services from various organizations and schools.

The South Maui Citizen Patrol group continued to patrol areas of increased criminal behavior. The group patrols the Makena and Wailea areas to help deter break-ins to vehicles at the state beach parking lots. There were 26 volunteers who donated their time in 2017.

Chaplaincy Program

The Police Chaplaincy Program once again provided excellent services to the community and personnel of our Department. In 2017, the chaplains responded to 14 call outs. In addition to call-outs, chaplains participated in recruit training, meetings with local pastors, monthly chaplains meetings, debriefings, and opened the Police Commission meetings. As of December, the Police Chaplains were Reverend Arza Brown, Reverend Gary Colton, Reverend Milton Fricke, Reverend Paul Kaneshiro, Reverend Stephen Kaneshiro, Reverend Bob Steele, and Reverend Jose Macoy.

MOTOR POOL

Trent Matsumoto supervised the Motor Pool staff for the entire year.

The primary responsibility of the Motor Pool is to ensure the availability of a functioning police fleet. The maintenance and upkeep of a police fleet is a rudimentary part of ensuring continuing police service.

Throughout 2017, there were 308 vehicles serviced which included oil, air filter replacements, tire rotation, topping off of fluids, and brake checks. There were also 231 motor vehicle safety inspections performed throughout the year.

The majority of the Radio Shop’s efforts were in training and maintenance of the Motorola Public Safety Radio System and the Department’s subscriber fleet. Work on the Waiakeaakua site started to progress more rapidly, and it is expected to be completed mid-2018.

Throughout the year, radio programming continued to be tested and modified to ensure seamless communications across the various agencies and disciplines on the Public Safety Radio System.
