Charter Provision

The Maui County Police Department is organized in accordance with Section 8, Chapter 12.1 of the Charter of the County of Maui. There shall be a department of police consisting of a police commission, a chief of police, and the necessary staff.

The duties and functions of the Chief of Police are defined in Section 8-12.4 of the Charter, which states that the Chief of Police shall:

1. Be the administrative head of the department of police.

2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.

3. Be responsible for traffic safety and traffic safety education.

4. Train, equip, maintain and supervise the force of police officers and employees of the department.

5. Have such other powers and duties as may be assigned by the mayor or as may be provided by law.
Long Term Direction and Executive Highlights

We continue to be guided by our Goals and Objectives in our daily operations and our planned efforts as well. We are committed to excellence through effective leadership and strategic planning.

We understand that our operational resources are directly related to the economic status of our county, our state, and our country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public’s confidence in the Maui Police Department, and our never-ending pursuit of ridding our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for. We emphasize strict motor vehicle law compliance throughout the year and target speed violators, distracted drivers, and the driving under the influence driver.

Continuing long term projects include the creation of a Critical Outreach and Response through Education Unit (CORE), the construction of a new police station on Molokai, and the introduction of body-worn cameras. The new C.O.R.E. Unit will focus on proactive ways to reduce systemic problems in the community that impact quality of life and increase trust in our police officers through community partnerships.

Continued compliance with the national standards set by the Commission on Accreditation for Law Enforcement Agencies (CALEA) is important to maintaining the public’s confidence in our agency. We will continue compliance to the standards and will complete our seventh accreditation assessment in 2017.

Administrative Services

Greg Takahashi was the Business Administrator for the entire year.

Expenditures for the Department in 2016 totalled $52,987,545. This reflects an increase of $2,396,031 from 2015 expenditures which were $50,591,514. As in years past, Personnel Services (salaries) was the largest single expenditure. The 2016 total of $42,037,987 attributed to salaries, which reflects 79% of all expenditures for the year. By comparison, 2015 Personnel Services expenditures totalled $40,168,890 or 79% of that year’s spending.

As of December 31, 2016, total Department strength was 481. Throughout the year, 7 department personnel retired.
Criminal Intelligence

Lieutenant Wade Anzai was in command of the section for the entire year. The Unit operates under the direct supervision of the Chief of Police and the Deputy Chief of Police.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.

The Criminal Intelligence Unit issued 445 intelligence and officer safety advisories throughout the year. The Unit also documented 337 intelligence reports relative to criminal activities. Criminal activities include organized crime and crime figures, their associates and suspected businesses, the distribution and sales of illegal narcotics by drug trafficking organizations, gambling activities to include cockfighting and prostitution, and weapons violations.

Internal Affairs

Captain Peter Delima was in command of the section for the entire year. The section operates under the direct supervision of the Chief of Police and Deputy Chief of Police.

The Internal Affairs Section continues to perform a wide variety of functions within the Department. These include administrative investigations and inquiries, participation in the Department’s Drug Testing Program, police officer recruitment testing and processing, required sworn and civilian background checks, and assisting the Records Section with the proper destruction of evidence.

The Internal Affairs Section is also involved in providing assistance to the Corporation Counsel relative to civil lawsuits and related matters as well as responding to subpoenas for release of administrative investigation records.

In 2016, respective elements of the Department conducted 76 formal investigations. Internal Affairs assisted in the drug testing of 131 employees and conducted 152 background checks.
Quality Assurance

Captain Everett Ferreira was in command of the Quality Assurance Section for the entire year. He was assisted by Sergeant Harry Matsuura Jr.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

January through May, the Quality Assurance Section was responsible for the legislative activities of the Department. In August, the Hawaii Police Accreditation Coalition (HIPAC) was formed and registered with CALEA. The HIPAC recognizes and supports the concept of accreditation for Hawaii law enforcement agencies.

In September 2016, an employee survey was distributed to all personnel in the Uniformed Services Bureau. Of the 214 surveys distributed, 168 were returned for a return rate of 79%.

The Quality Assurance Section conducted biennial staff inspections during the month of December 2016, including the Evidence/Property rooms of the Uniformed Services Bureau Patrol Districts.

Uniformed Services Bureau

Assistant Chief of Police Victor Ramos was in command of the Uniformed Services Bureau for the entire year.

The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace, prevention of crime, and protection of life and property. The Traffic Section provides services in the enforcement of laws and ordinances pertaining to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plain clothes investigative unit that provides county-wide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.
DISTRICT I, WAILUKU

Captain Ricky Uedoi took command of the Wailuku Patrol District on April 1, 2016. During the year, officers of the Wailuku Patrol District received 58,587 calls for police service, compared to 59,238 in 2015. Thirty-two percent of the calls received resulted in an officer documenting a report. District personnel also made 5,614 arrests, 1,669 were for bench warrants and 409 were for drug related offenses.

The district’s traffic enforcement efforts in 2016 resulted in the issuance of 17,767 citations. Our personnel also conducted 19 sobriety checkpoints for the year and arrested 285 individuals for operating a vehicle under the influence of liquor or drugs. Traffic accidents increased by 2% in 2016 with 2,014 crashes investigated as compared to 1,970 in 2015.

On October 3, 2016, the False Alarm Project went live where alarm users are now required to register their alarm systems, whether a residence or business. The Maui Police Department currently responds to more than 5,000 alarm activations per year. Roughly 90% are false alarms.

Sergeant Heather Gilroy supervised the Community Oriented Policing (COP) Program, the Alternative Call Servicing Unit (ACS), and the Highway Incident Traffic Team (HITT) for the entire year. The purpose of the Community Oriented Policing (COP) Program is to enhance public service and facilitate contact between citizens and police officers. The Alternative Call Servicing Unit handles “over the telephone” non-felony reports which do not require the presence of a police officer. In 2016, a total of 5 officers worked in ACS and handled a total of 586 cases and 168 supplementary reports. The HITT Unit is utilized for major incidents that have occurred on our highways that affect the motoring public for extended periods of time. HITT responded to 64 callouts and manned traffic posts for a total of 290 hours.

Officer David Wikoli served as the Parking Enforcement Officer for Wailuku in 2016. His primary responsibility is to mitigate traffic congestion in Wailuku Town, and ensure that the area is monitored, regulated and enforced in conjunction with applicable traffic laws and ordinances. Officer Wikoli issued 4,262 citations and generated 195 cases.
DISTRICT II, LANAI

Lieutenant Ryan Rodrigues was in command of the Lanai District for the entire year. Sergeants Nicholas Angell and Kimberly Masse served as district supervisors throughout the year.

Lanai District personnel participated in a variety of community programs and events throughout the year to include the Lanai High and Elementary Homecoming Parade, Fifth Fridays, the Lanai Physical Fitness Team Teen Dance, and the Pineapple Festival.

There were 3,283 calls for service in 2016, as compared to 3,521 calls in 2015. In 2016, 93 adults and 49 juveniles were arrested, a decrease from the 123 adults and 68 juveniles arrested in 2015.

More than 80% of our accidents occur on the Hana Highway, which is a 46 mile stretch of roadway that winds and curves along the rugged coastline of East Maui. The drive to Hana is a very popular experience for tourists, yet can be very difficult and distracting for the newcomer because of the views, as they are the ones involved in a majority of our accidents.

In 2016, Hana District officers issued a total of 2,482 citations, a 44% increase from the 1,388 citations issued in 2015. Consistent traffic enforcement was conducted in all areas of the district throughout the year. The increase in citations is attributed to proactive efforts by officers to enforce traffic and parking regulatory standards and the impact of addressing complaints of non-compliance with posted speed limits in 2016.

DISTRICT IV, LAHAINA

Captain Sterling Kiyota was in command of the Lahaina Patrol District for the entire year.

During the year, several problems were identified and addressed through strategies involving aggressive enforcement of existing laws. The top concerns identified by the community were drug activity, homeless issues, speeding and parking violations, and impaired driving enforcement.

District officers implemented a zero tolerance approach to drug use and possession on the streets by arresting all offenders who were caught in public places using drugs. Lahaina District had a total of 212 drug related arrest charges in 2016.

The task of removing impaired drivers requires constant vigilance. Operating a vehicle under the influence of an intoxicant (OUI) arrest is a direct intervention aimed at reducing highway injuries and deaths. Patrol and OUI Units have been instrumental in detecting and apprehending impaired drivers in the district. There were a total of 102 OUI arrests in 2016, an increase of 10% as compared to 93 in 2015.

Throughout the year, Kihei District officers conducted bicycle patrols and ATV patrols of the district’s parks and beaches. This activity serves both as a proactive crime prevention measure and a means to enforce violations not typically accessible to officers from their patrol vehicles.

Kihei District officers continue to proactively conduct traffic enforcement on Mokulele Highway, Piilani Highway, Honoapiilani Highway, South Kihei Road, Makena Alanui and other roadways where current and previous complaints were received. District personnel made 384 traffic related arrests, 192 OVUII arrests, conducted 8 OUI checkpoints, and issued 11,914 citations in 2016.

There were a total of 23 traffic fatalities in 2016. All but one fatality occurred on Maui. There were four near fatal crashes investigated by the Vehicle Homicide Unit. Speed was a factor in 8 of the 21 fatal crashes.

Impaired driving is always a concern for law enforcement and the community in general. Aggressive enforcement, saturated patrols, holiday roadblocks, and press coverage have been used as strategies to try and curb impaired driving. In 2016, the Maui Police Department arrested 774 people for driving under the influence, with the OUI Task Force making 249 of those arrests.

In 2016, the Maui Police Department issued a total of 3,030 citations for Mobile Electronic Device, with the Traffic Section issuing 2,280 of those citations. **VICE DIVISION**

Captain Donald Kanemitsu was in command of the Vice Division for the entire year.

Members of the Vice Division have a true understanding and belief that the work they do directly affects every aspect of law enforcement within our organization and community alike. The distribution, sales, and use of illicit narcotics plays a major role in social ills, crimes against property, and crimes against persons. This understanding motivates our personnel to think out of the box, educate themselves in the latest technology, and utilize new investigative methods to battle the ever evolving Drug Trafficking Organizations and their methods of operation.

Narcotics investigators continued working aggressively in their investigations into drug users, drug dealers, and drug trafficking organizations at all levels, executing 183 narcotics search warrants, generating 912 cases, and making 305 arrests.

Asset forfeiture continues to be an effective instrument utilized against the criminal element. It is commonly known that criminal entities obtain assets through illegal operations, and facilitate illegal transactions through the utilization of some of these assets, in what they propose to be legal enterprises. In 2016, the Unit investigated 19 asset forfeiture cases, continuing to debilitate and hinder the criminal elements.
