Charter Provision

The duties and functions of the Chief of Police are defined in Section 8-12.4 of the Charter, which states that the Chief of Police shall:

1. Be the administrative head of the department of police.
2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.
3. Be responsible for traffic safety and traffic safety education.
4. Train, equip, maintain and supervise the force of police officers and employees of the department.
5. Have such other powers and duties as may be assigned by the mayor or as may be provided by law.

Long Term Direction and Executive Highlights

We continue to be guided by our Goals and Objectives in our daily operations and our planned efforts as well. We are committed to excellence through effective leadership and strategic planning.

We understand that our operational resources are directly related to the economic status of our county, our state, and our country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public's confidence in the Maui Police Department, and our never-ending pursuit of ridding our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for. We emphasize strict motor vehicle law compliance throughout the year and target speed violators, distracted drivers, and the driving under the influence driver.

Continuing long term projects include the creation of a Critical Outreach and Response through Education Unit (CORE), the construction of a new police station on Molokai, and the introduction of body-worn cameras. The new C.O.R.E. Unit will focus on proactive ways to reduce systemic problems in the community that impact quality of life and increase trust in our police officers through community partnerships.

Continued compliance with the national standards set by the Commission on Accreditation for Law Enforcement Agencies (CALEA) is important to maintaining the public's confidence in our agency. We will continue compliance to the standards and will complete our seventh accreditation assessment in 2017.

Goals and Objectives

- Provide highway and roadway safety through effective enforcement strategies and public education.

Enhance Quality of Life

- As the most significant contributors to the “quality of life” in the county, we must ensure excellence in service with each individual deserving the highest quality of police service.

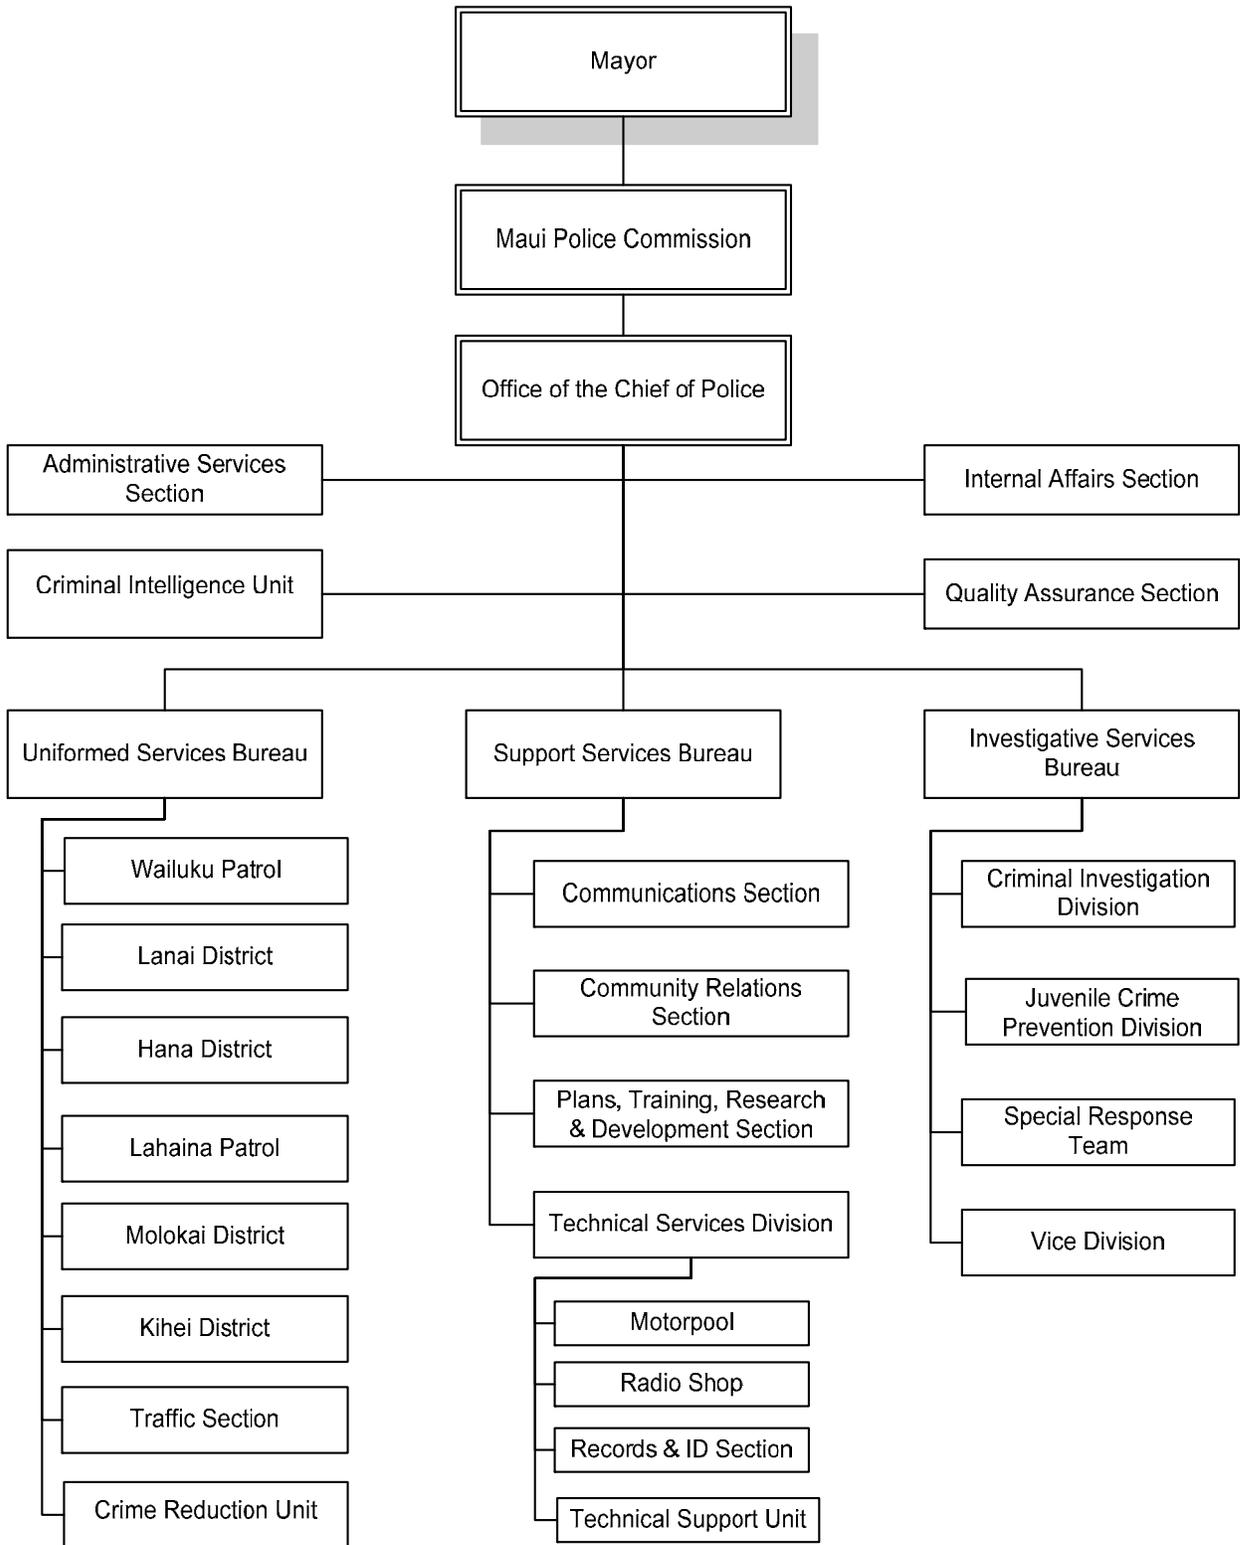

Promote Emergency Preparedness

- Prepare and maintain the department’s capabilities to address homeland security and manmade/natural disasters through: interoperable communications; intelligence/information sharing; provide first responders with specialized clothing and equipment for protection against health and safety hazards; conducting vulnerability assessments; training and exercises; planning; and emergency backup power/communications.

Foster Outside Agency and Community Partnerships

- Support community programs and activities by: promoting community involvement; building partnerships through community policing; and providing instruction in crime prevention and safe-neighborhoods.
- Invest in youth development strategies for our schools and our children.
- Actively involve the community in policing efforts.
- Develop and maintain partnerships with county, state and federal law enforcement agencies as well as other agencies/organizations that would benefit the community.

Criminal Intelligence

Wade Anzai

Lieutenant Wade Anzai was in command of the section for the entire year. The Unit operates under the direct supervision of the Chief of Police and the Deputy Chief of Police.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.

The Criminal Intelligence Unit issued 445 intelligence and officer safety advisories throughout the year. The Unit also documented 337 intelligence reports relative to criminal activities. Criminal activities include organized crime and crime figures, their associates and suspected businesses, the distribution and sales of illegal narcotics by drug trafficking organizations, gambling activities to include cockfighting and prostitution, and weapons violations.

Internal Affairs

Captain Peter Delima was in command of the section for the entire year. The section operates under the direct supervision of the Chief of Police and Deputy Chief of Police.

The Internal Affairs Section continues to perform a wide variety of functions within the Department. These include administrative investigations and inquiries, participation in the Department's Drug Testing Program, police officer recruitment testing and processing, required sworn and civilian background checks, and assisting the Records Section with the proper destruction of evidence.

Peter Delima

The Internal Affairs Section is also involved in providing assistance to the Corporation Counsel relative to civil lawsuits and related matters as well as responding to subpoenas for release of administrative investigation records.

In 2016, respective elements of the Department conducted 76 formal investigations. Internal Affairs assisted in the drug testing of 131 employees and conducted 152 background checks.

Quality Assurance

Captain Everett Ferreira was in command of the Quality Assurance Section for the entire year. He was assisted by Sergeant Harry Matsuura Jr.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

Everett Ferreira

January through May, the Quality Assurance Section was responsible for the legislative activities of the Department. In August, the Hawaii Police Accreditation Coalition (HIPAC) was formed and registered with CALEA. The HIPAC recognizes and supports the concept of accreditation for Hawaii law enforcement agencies.

In September 2016, an employee survey was distributed to all personnel in the Uniformed Services Bureau. Of the 214 surveys distributed, 168 were returned for a return rate of 79%.

The Quality Assurance Section conducted biennial staff inspections during the month of December 2016, including the Evidence/Property rooms of the Uniformed Services Bureau Patrol Districts.

Uniformed Services Bureau

Victor Ramos

Assistant Chief of Police Victor Ramos was in command of the Uniformed Services Bureau for the entire year.

The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace, prevention of crime, and protection of life and property. The Traffic Section provides services in the enforcement of laws and ordinances pertaining to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plain clothes investigative unit that provides county-wide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.
