PUBLIC HEALTH EMERGENCY RULES, AMENDED JUNE 8, 2020

By the authority vested in me as Mayor of the County of Maui, by the Revised Charter of the County of Maui (1983), as amended (“Charter”), the Constitution and laws of the State of Hawaii, I, MICHAEL P. VICTORINO, Mayor of the County of Maui of the State of Hawaii, hereby amend, adopt and promulgate the following rules, pursuant to Section 127A-25, Hawaii Revised Statutes (“HRS”), which has the force and effect of law. Violation of any of the following rules is punishable as a misdemeanor, with fines of up to \$5,000, up to a year in jail, or both.

The virus that causes Coronavirus 2019 Disease (“COVID-19”) is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle the influx of new patients and to safeguard public health and safety. Because of the dangerous conditions caused by the risk of the rapid spread of the virus and the need to protect the residents and visitors to Maui County, avoiding close contact with non-household members and large gatherings is strongly encouraged.

I. Definitions

A. Essential Activities include:

1. Tasks essential to maintain health and safety, such as obtaining medicine or seeing a doctor.
2. Getting necessary services or supplies for an individual, or that individual's family or household members, such as getting food, pet food, and supplies necessary for staying at home.
3. Engaging in outdoor activity, such as walking, hiking, running, ocean sports (surfing, stand-up paddle boarding, kayaking, or fishing).
4. Performing work related to operation of an essential business or essential government functions (defined below).
5. Caring for a family member in another household.
6. Caring for elderly, minors, dependents, persons with disabilities, or other vulnerable persons.

6. Gas stations, auto repair facilities, and auto supply stores.
7. Financial institutions.
8. Refuse collection.
9. Hardware, lumber, and other building material stores.
10. Maintenance service providers, such as plumbers, electricians, exterminators, yard or ground maintenance, and other service providers necessary to maintain the safety, sanitation, and essential operation of residences and businesses.
11. Laundromats and laundry service providers.
12. Businesses that primarily ship or deliver groceries, food, and goods.
13. Childcare facilities (daycare, summer camp, etc.) providing services that enable employees exempted in these Rules to work as permitted, in compliance with state laws, administrative rules, and restrictions, provided that children do not switch groups; groups are located in separate rooms and not

commingled; caregivers are assigned and remain with one group of children.

14. Newspapers, television, radio, and other media.
15. Construction and maintenance, public and private, provided it is conducted in workplaces in a manner that ensures worker safety, including physical distancing requirements.
16. Agricultural operations, including delivery and shipment of flowers, provided measures are implemented to ensure worker safety, including physical distancing requirements.
17. Businesses that supply other essential businesses with the support or supplies necessary to operate, e.g., chemical supply companies.
18. Businesses conducting legally mandated activities.
19. Businesses that provide food, shelter, and other necessities of life for animals, including animal shelters, rescues, kennels, and adoption facilities.
20. Funeral, mortuary, cremation, burial, cemetery, and related services.
21. Educational institutions (public and private), including preschool-12 grade, colleges, and universities.
22. Hotels and motels, to the extent used for lodging, in compliance with the State of Hawaii restrictions.

C. Designated Businesses and Operations, as described in Rule 7 and Exhibit A.

- D. Government Functions:** Includes all services needed to ensure the continuing operation of the government agencies that provide for the health, safety, and welfare of the public.

II. RULES

Rule 1: All individuals currently within the County are encouraged to stay at their residence or place of lodging, except as provided in these Rules. With respect to persons residing in hotels, condominiums, townhomes, apartments, or other multi-unit dwellings, “place of residence” means the person’s individual hotel room or unit. To the extent persons use shared or outdoor spaces (e.g., condominium common areas, pools, barbecue areas) when outside their residence, they must comply with the physical distancing

requirements set forth herein, as ordered by the State of Hawaii, or as instructed by the CDC, whichever is more stringent.

Rule 2: County meetings or hearings, including contested case hearings, are suspended, provided that meetings or hearings may be held to the extent such meetings or hearings are conducted by telephone or video conference as determined solely by the County department providing administrative assistance to the board or commission.

Rule 3: Any County deadline or automatic approval of any permit application, unless specifically provided for by Mayor's directive, or contested case matter under the Maui County Code or the administrative rule of any County department, board, or commission that is currently pending, is hereby continued to the latter of the following: 60 days after the date of the County's Proclamation of Emergency of Disaster, dated May 1, 2020, as may be extended; the Declaration of Termination of Emergency issued by the undersigned; or 60 days from the date of the current deadline or automatic approval as of the date of the adoption of these Rules. This Rule applies only to deadlines for action imposed by ordinance or administrative rule on any County departments, boards, and commissions. This Rule does not extend any permit condition of any existing permit that has already been approved. This Rule does not extend the time for filing of an appeal for matters that have already been decided.

Rule 4: Indoor gatherings of groups of up to 10 persons are permitted; with a maximum of 50 total persons. Outdoor gatherings of groups of up to 10 persons are permitted; with a maximum of 100 total persons. Physical distancing

of at least 6 feet between separate groups must be maintained. Gatherings of members of a single residential or family unit sharing the same address are not restricted.

Rule 5: Persons engaging in allowed activities, essential, and designated businesses or operations shall implement the following physical distancing and sanitation requirements:

- A. **Face covering.** Persons over the age of 5 years old shall wear a face mask or cloth covering the nose and mouth while in public settings. This requirement shall not apply to persons engaging in permissible exercise activities, so long as physical distancing requirements are maintained. This rule shall also not apply to those entering financial institutions, to anyone who has trouble breathing, is unconscious, incapacitated or otherwise unable to remove the covering without assistance, or specifically allowed for under these rules. Businesses or designated operations may refuse to allow entry to persons not wearing face coverings, unless an exception applies under this section.
- B. **High risk populations.** Elderly and others at high risk for Covid-19 are urged to stay in their residences to the extent possible, except to seek medical care.
- C. **Persons who are sick.** Persons who are sick, have a fever, cough, or who are exhibiting symptoms such as shortness of breath, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell, are urged to stay in their residences to the extent possible, except to seek medical care.
- D. **Six-foot distances.** All persons shall maintain a minimum of six-feet of physical separation from all other persons to the fullest extent possible. Essential and designated businesses or operations shall designate with signage, tape, or other means, six-foot spacing for employees and customers waiting in line. Essential and designated businesses or operations shall monitor and enforce the six-foot distancing requirement, whether with outside waiting lines or as customers move about inside a facility. Stores with aisles shall use signage to indicate one-way access to the extent feasible. Checkout operations shall be modified, to the extent reasonably feasible, to provide this separation or to provide a transparent shield or barrier between customers and checkout clerks.

- E. **Limited occupancy.** Each essential or designated business or operation shall determine and enforce the maximum number of persons that may be accommodated while maintaining the specified physical distance and limiting the number of individuals within a facility.
- F. **Sanitation measures.** Essential and designated businesses or operations shall make hand sanitizer and sanitizing products readily available for employees and customers. Employees handling items from customers, such as cash or credit cards, shall frequently utilize hand sanitizers.
- G. **Disinfection.** Essential and designated businesses or operations shall regularly disinfect all high-touch surfaces. A list of disinfectants that meet the U.S. Environmental Protection Agency's criteria for use against Covid-19 is available at <https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2-covid-19>.
- H. **Safeguards for high-risk populations.** Essential businesses shall implement processes to safeguard elderly and high-risk customers, such as exclusive shopping hours, which shall be conspicuously posted and enforced.
- I. **Pickup at store or delivery.** To the extent feasible, essential and designated businesses or operations shall provide for online ordering and purchase of goods, delivery, and customer pickup of orders outside the facility.
- J. **Signage.** Essential and designated businesses or operations shall post a sign at the entrance of the facility informing employees and customers that they shall, at a minimum: wear CDC recommended face coverings while in the business or operation; avoid entering the business if they have a cough or fever or otherwise do not feel well; maintain a six-foot distance from one another; do not shake hands.

Rule 6: Exhibit A details specific requirements for certain businesses and activities, e.g., restaurants, bars, cafes, and other food establishments; salons, estheticians, massage, and body work; and sports.

Rule 7: Nightclubs, theaters, public gathering venues, and banquet halls are ordered closed. None of these operations will be permitted to reopen on June 1, 2020 at 12:01 a.m. and shall remain closed until notified otherwise. provided that such businesses may conduct “minimum basic operations.” Minimum basic operations do not include in-person public/customer interactions and are limited to the minimum activities necessary to maintain the value of the business’s inventory, ensure security, and process payroll and employee benefits.

Rule 8: Beaches and County parks are open; however, the County may close parks for maintenance or repairs, to address safety concerns, or for Covid-related response. Waiale Park shall remain closed to accommodate the provision of temporary emergency shelters. County parks and beach parks will be open from 7:00 a.m. through 7:00 p.m. Use of picnic tables and pavilions is allowed, but camping and the use of barbecue grills are not allowed. Only permitted commercial activities are allowed. Persons using park facilities must comply with Rule 5 to the extent reasonably feasible.

June 8, 2020

Page 8

These rules shall take effect on June 15, 2020 at 12:01 a.m., unless otherwise specified, and repeal the Emergency Rules promulgated May 26, 2020.

With the exception of Rule 3, these Rules shall be repealed upon the earlier of:

1) subsequent promulgation or 2) June 30, 2020.

- d. Nail salons/services
- i. Pedicure bowls must be disassembled and disinfected daily; for bowls with jets, they must run a minimum of 10 minutes with disinfection.
 - ii. Manicurists are encouraged have plexiglass or similar shields between technician and client.
15. Canoe paddling. Six-person (single hull/OC-6) or 12-person (double hull/OC-12) canoe paddling will be allowed with the following conditions:
- a. Only official members of a canoe club shall participate in OC-6 or OC-12 practices, in compliance with the restrictions on Outdoor Sports, Phase 1, as reasonably practicable, and these paddling-specific restrictions. Recreational practices for non-members, guests, visitors, or drop-ins shall not be allowed.
 - b. To the extent possible, members of a canoe club wishing to paddle should register with their respective club for each paddling session for contact tracing purposes. Canoe clubs shall maintain the record of each paddling session for at least one month from the date of activity.
 - c. Canoe clubs are encouraged to create “crew bubbles”, such that when crews are established, paddlers stay within their assigned crew to limit potential exposure to other club members.
 - d. Participation is voluntary. Individuals who are sick, exhibiting any symptoms, or have been exposed to anyone who is ill, COVID-19 positive, or to any traveler who has not completed their 14-day quarantine shall not be allowed to participate for 14 days from the date of exposure.

- e. To the extent possible, paddlers should continue paddling with the same crew members and not switch crews.
 - f. Water or shoreline changes between crew members during a paddling session should not be allowed (must stay in the same seat assigned), unless done so for safety or health purposes.
 - g. Coaches must follow the restrictions in Outdoor Sports, Phase 1. Workouts or plans for paddling sessions should be shared with participants electronically or on bulletin boards prior to the activity. Coaching should be limited to one crew at a time.
 - h. To the extent possible, paddling activities should be time staggered between crews to avoid large gatherings, and crews must remain physically separated.
 - i. To the extent possible, club paddles should be assigned to individuals during this period, or individuals should bring their own ancillary equipment and supplies. Sharing of personal paddles, seat cushions, gloves, personal care products, water bottles / hydration systems and other similar items are prohibited.
 - j. Canoe club facilities or hales may be used for non-essential events or other social gatherings, in compliance with limitations on groups in Rule 4.
 - k. Paddlers should follow proper hygiene protocols, including washing hands or using hand sanitizer before and after participating. Gloves and masks are encouraged, but not required. Canoe clubs shall make soap and/or hand sanitizer available for participants.
 - l. All touch points should be disinfected before each use, including iakos, manus, seats, gunnels, bailers, and other similar items. Canoes and other equipment are recommended, but not required, to be left out in the sun and ambient temperature in between uses.
 - m. To the extent possible, when launching or concluding activities, canoe clubs should utilize wheels or other mechanical assistance to move the canoes, and avoid contact between paddlers.
 - n. To the extent possible, wheels should be left under the canoes when not in use, and when concluding activities wheels should be placed under the canoe while still in the water.
16. Commercial boating will be allowed, subject to all County or State regulations, including any specific operational restrictions imposed by the State of Hawaii Department of Land and Natural Resources, and the following conditions:
- a. Only 10 or less people will be permitted on the boat, including the boat crew.
 - b. Sanitation rules detailed in Rule 5 are followed.

17. Outdoor organized team sports (phase 1). This section applies to outdoor team sports such as baseball, soccer, outdoor volleyball, and similar outdoor team sports (“Sports Program(s)”). Starting June 15, 2020, Sports Programs may reopen for skill-building drills and team-based practice, but not competitive play (“Phase 1”) under the following requirements and conditions:

- a. Activities are limited to skill-building drills and team-based practice in which physical distancing of six (6) feet or more between participants may generally be maintained.
- b. No close contact activities, including, but not limited to, huddles, high fives, and handshakes.
- c. Groups are limited to a single Sports Program team, or a maximum of 30 participants, including players and coaches, whichever is less. (This is an exception to the general rule restricting groups to 10 or less contained in Rule 4). Where multiple groups are present at a facility or field, Sports Program operators must implement measures to ensure that groups maintain six (6) feet of physical distance between each other at all times (i.e., no mingling between groups).
- d. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained; and face coverings should be worn at all times unless engaged in active practice.
- e. Sports Program operators must implement measures to ensure that:
 - i. To the extent consistent with this section, and to the extent reasonably practicable: (1) the Sports Program operators and participants shall follow applicable guidance from the CDC (available at <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html>); and (2) established and reputable COVID-19-related guidelines for the facility and the activity at issue.
 - ii. Physical distancing protocols and procedures exist for staff, athletes and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
 - iii. Staff and athletes are screened (via self-screening or otherwise) regularly for illness or exposure to COVID-19.
 - iv. Staff, athletes, and non-program participants (including parents/guardians) always wear face coverings when spectating, arriving, and leaving. The presence of non-participants should be discouraged during Phase 1.

- v. There is no socializing in groups before or after (unless otherwise authorized by these Rules).
 - vi. Individuals from outside the Sports Program are limited in their interactions with staff and participants during drop off/pick up.
 - vii. Athletes who are sick from COVID-19 may not attend a practice or training until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
 - viii. Any staff or athlete exposed to a person with a confirmed or probable case of COVID-19 may not attend the program until they have completed quarantine following CDC guidelines.
 - ix. All program activities are evaluated to identify and mitigate “high-risk” activities (shared equipment, incidental close contact, etc.) to reduce or prevent COVID-19 transmission.
- f. Individuals must comply with any requirements imposed by the Department of Parks and Recreation.
- g. Nothing in this section requires a public or private Sports Program to open.

18. Outdoor organized team sports (phase 2). This section applies to outdoor team sports such as baseball, soccer, outdoor volleyball, outdoor basketball, and similar outdoor team sports (“Sports Program(s)”). Excluded from this section are outdoor sports and similar activities that require sustained close contact, such as outdoor wrestling, boxing, and mixed martial arts. These close contact sports may continue under Phase 1 (above). Starting July 1, 2020, Sports Programs may reopen for competitive play (“Phase 2”) under the following requirements and conditions:

- a. Activities may include competitive team play (e.g., one baseball team against another, or one soccer team against another) or training. (This is an exception to the general rule on groups of 10 persons or less contained in Rule 4).
- b. When not engaged in competitive team play or training that requires close contact, close contact should be reduced or eliminated to the extent possible (e.g., sitting close to teammates on a bench, standing close to teammates or opponents during downtime).
- c. No close contact activities outside of those necessary to carry out the competitive team play or training, including, but not limited to, huddles, high fives, and handshakes.

- d. Groups are limited to two Sports Program teams on an outdoor field, court, etc. at a time. Where other competitive play/games are scheduled on the same field, court, etc., Sports Program operators must implement measures to ensure that teams waiting to play maintain six (6) feet of physical distance from the other teams playing at all times (i.e., no mingling between groups).
- e. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained; and face coverings should be worn at all times unless engaged in active play.
- f. Sports Program Operators must work with the Department of Parks and Recreation and implement measures to ensure that:
 - i. To the extent consistent with this section, and to the extent reasonably practicable: (1) the Sports Program operators and participants shall follow applicable guidance from the CDC ([available at https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html](https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html)); and (2) established and reputable COVID-19-related guidelines for the facility and the activity at issue.
 - ii. Physical distancing protocols and procedures exist for staff, athletes and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
 - iii. Staff and athletes are screened (via self-screening or otherwise) regularly for illness or exposure to COVID-19.
 - iv. Staff, athletes, and non-program participants (including parents/guardians) always wear face coverings when spectating, arriving, and leaving.
 - v. Socializing in groups before or after the activity is subject to Rule 4.
 - vi. Individuals from outside the Sports Program are limited in their interactions with staff and participants during drop off/pick up.
 - vii. Athletes who are sick from COVID-19 may not attend the activity until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
