DEPUTY CHIEF OF POLICE

July 31, 2020

Mr. Roger Dixon, Chair,
And Members of the Maui Police Commission
c/o Maui Police Department
55 Mahalani Street
Wailuku, HI 96793

Dear Chair Dixon and Members:

We are honored to submit our Annual Report for calendar year 2019.

Our department continues to serve our citizens with integrity, compassion, and fairness as we strive to support and defend the Constitution of the United States and the Constitution of the State of Hawaii. To paraphrase Paul Harvey, "The policeman and policewoman must be a minister, a social worker, a diplomat, a tough guy, and a gentleman." We must have the support and full backing of the Police Commission, our Mayor and his administration, and members of the Maui County Council.

We give our heartfelt thanks and appreciation to our police officers and their families, and our civilian employees, for the many sacrifices they have had to endure in our fight against crime and to make Maui, Molokai, and Lanai the most beautiful and safest places to live.

Sincerely,

TIVOLI S. FAAUMU
Chief of Police

Charter Provision

The Maui County Police Department is organized in accordance with Section 8, Chapter 12.1 of the Charter of the County of Maui. There shall be a department of police consisting of a police commission, a chief of police, and the necessary staff.

The duties and functions of the Chief of Police are defined in Section 8-12.4 of the Charter, which states that the Chief of Police shall:

1. Be the administrative head of the department of police.
2. Be responsible for the preservation of the public peace, prevention of crime, detection and arrest of offenders against the law, protection of rights of persons and property, and enforcement and prevention of violations of all laws of the State and ordinances of the county and all rules made in accordance therewith.
3. Be responsible for traffic safety and traffic safety education.
4. Train, equip, maintain and supervise the force of police officers and employees of the department.
5. Have such other powers and duties as may be assigned by the mayor or as may be provided by law.

Long Term Direction and Executive Highlights

We continue to be guided by our Goals and Objectives in our daily operations and our planned efforts as well. We are committed to excellence through effective leadership and strategic planning.

We understand that our operational resources are directly related to the economic status of our county, our state, and our country. Therefore, our limited resources are investments in the best crime prevention methods and energy effective operations that specifically focus on threats identified through crime mapping and intelligence gathering.

Our professionalism and our values will facilitate the public's confidence in the Maui Police Department, and our never-ending pursuit of ridding our community of drugs, violence, school bullying, property crime, traffic deaths and family abuse, will motivate us to make a difference each day in Maui County.

Of paramount importance is our investment in crime prevention, especially with a focus on our youth for which many of our at-risk and educational programs are designed for. We emphasize strict motor vehicle law compliance throughout the year and target speed violators, distracted drivers, and the driving under the influence driver.

In addition to reactively responding to crime, we look for proactive ways to reduce systemic problems in the community that impact quality of life. In 2019, the Maui Police Department introduced two new programs that are proactive responses to community concerns. We also continue to work on re-organizing the Department, developing new training strategies, building a new Molokai District Police Station, and in looking for new technology to assist in solving cold cases.

Department highlights in 2019 included:

- The revision of the Maui County Code to allow police officers to tow vehicles operated by drivers who are arrested for driving under the influence, driving without a license or driving after their license is suspended or revoked for impaired driving.
- The implementation of the Critical Outreach and Response through Education Unit, or CORE. The CORE Unit works with representatives from multiple agencies to offer services to persons who are homeless and have committed non-violent crimes that might otherwise result in an arrest.
- The implementation of an Employee Wellness Program, which includes an application that offers information on mental health issues and contains contacts for mental health providers, contact numbers for the Peer Support Team, and police chaplains.

Goals and Objectives

Enhance Personnel Development

- Maintain a versatile and disciplined police department necessary to meet the rising demands of law enforcement through effective leadership, planning, education, training and compliance to accreditation standards.
- Develop and sustain a sufficient and effective workforce through diligent and selective hiring practices.
- Provide support for employees and their families during and after critical incidents and traumatic events.

Advocate Fiscal Management and Energy Efficiency

- Ensure fiscal accountability and successful budget management.
- Increase energy efficiency and the use of renewable energy sources.

Reduce Crime and Increase Public Safety with Prevention Methods

- Reduce crime through strategic planning, effective investigative practices, use of technology and the efficient delivery of law enforcement services.
- Provide highway and roadway safety through effective enforcement strategies and public education.

Enhance Quality of Life

- As the most significant contributors to the “quality of life” in the county, we must ensure excellence in service with each individual deserving the highest quality of police service.

Promote Emergency Preparedness

- Prepare and maintain the department’s capabilities to address homeland security and manmade/natural disasters through: interoperable communications; intelligence/information sharing; provide first responders with specialized clothing and equipment for protection against health and safety hazards; conducting vulnerability assessments; training and exercises; planning; and emergency backup power/communications.

Foster Outside Agency and Community Partnerships

- Support community programs and activities by: promoting community involvement; building partnerships through community policing; and providing instruction in crime prevention and safe-neighborhoods.
- Invest in youth development strategies for our schools and our children.
- Actively involve the community in policing efforts.
- Develop and maintain partnerships with county, state and federal law enforcement agencies as well as other agencies/organizations that would benefit the community.

Administrative Services

Melissa Magonigle supervised the Administrative Services Section for the year.

Expenditures for the Department in 2019 totalled \$56,648,937. This reflects an increase of \$504,949 from 2018 expenditures, which were \$56,143,988. As in years past, Personnel Services (salaries) was the largest single expenditure. The 2019 total of \$43,682,402 attributed to salaries, which reflects 77% of all expenditures for the year. By comparison, 2018 Personnel Services expenditures totalled \$42,526,238 or 79% of that years' spending.

Melissa Magonigle

As of January 1, 2020, total Department strength was 425. Throughout the year, 17 department personnel retired, 20 resigned, 5 transferred to other departments and 2 were dismissed.

Quality Assurance

Scott Migita

The Quality Assurance Section was under the command of Captain Wade Maeda, who was assisted by Sergeant Harry Matsuura at the beginning of 2019. Captain Scott Migita took command of the section in June 2019.

The Quality Assurance Section is an organizational component of the Office of the Chief of Police. Quality Assurance was created in 1995 to provide service to the Department as a whole by participating in staff inspections to measure the quality of performances and monitoring the level of compliance with standards for law enforcement agencies established by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

Throughout the 2019 Hawaii Legislative Session, the Quality Assurance Section was responsible for monitoring and providing commentary and testimony, as required, for the Department. The Hawaiian Islands Police Accreditation Coalition recognizes and supports the concept of accreditation for Hawaii law enforcement agencies.

Although re-accreditation is not until 2021, the Quality Assurance section continues to complete the online assessment with the CALEA accreditors. We will continue to work with the accreditors so that we will be awarded our 8th Accreditation from CALEA.

As we enter 2020 to face a new legislative session and ever evolving challenges in social, fiscal and technological climates, we will strive to maintain professionalism in our commitment to excellence, as clearly identified in the Maui Police Department's Mission Statement, through Integrity, Compassion, Fairness, and Service.

Internal Affairs

Captain Ricky Uedoi was in command of the section for the year. The section operates under the direct supervision of the Chief of Police and Deputy Chief of Police. At the close of the year, he was assisted by Detectives Anthony Krau and Nelson Hamilton.

Ricky Uedoi

The Internal Affairs Section continues to perform a wide variety of functions within the department. These functions include: Administrative Investigations and on occasions inquiries, participation in the department's drug testing program, Police Officer recruitment-testing-processing events and conducting required sworn and civilian background checks, as well as assisting the Records Section with the proper destruction of evidence. The Unit also reviews all Administrative Investigations, Use of Force Reports, Vehicle Pursuits and Motor Vehicle Accidents involving department vehicles. The information is then processed and stored in the Internal Affairs Data Base, IA PRO.

The Section also assists the Corporation Counsel in preparation of civil lawsuits and related matters as well as responding to subpoenas for release of administrative investigation records. Moreover, with the passing of the Brady Bill, the department has been served with several subpoenas requesting information on officer's past integrity. The main concern is Truthfulness and Falsification of Records. The information is forwarded to Corporation Counsel and they in turn represent the respective officer.

In 2019, respective elements of the Department conducted 35 investigations and 10 inquiries. Internal Affairs assisted in the drug testing of 77 employees and conducted 167 background checks.

Criminal Intelligence

Wade Anzai

Lieutenant Wade Anzai was in command of the section for the entire year. Throughout the year, he was assisted by Sergeant Masanori Kaya and Officers Martin Marfil and Michael Vaitu'ulala. The Unit operates under the direct supervision of the Chief of Police and the Deputy Chief of Police.

The Criminal Intelligence Unit is responsible for providing the Office of the Chief of Police with accurate and updated information relative to the organized criminal activities, activist groups who violate laws or pose a threat towards public safety, information pertaining to terrorism, and general criminal activities.

All intelligence advisories and information received is analyzed, with all non-restrictive information being disseminated to the appropriate police elements and other law enforcement counterparts. The advisories and information is utilized to reduce organized criminal activities, enhance officer safety, and keep updated on new trends and technology.

The Criminal Intelligence Unit saw a significant increase in the number of protests and demonstrations that occurred within the County of Maui, as well as the neighbor islands. Many of the events that occurred were attributed directly to the issues involving the future construction of a Thirty Meter Telescope atop the summit of Mauna Kea.

Uniformed Services Bureau

Assistant Police Chief John Jakubczak was in command of the Uniformed Services Bureau for the entire year.

The Uniformed Services Bureau consists of all uniformed patrol services in District I (Wailuku), District II (Lanai), District III (Hana), District IV (Lahaina), District V (Molokai), District VI (Kihei), Traffic Section, and the Crime Reduction Unit.

The six patrol districts are responsible for providing services for the preservation of the public peace to vehicular and pedestrian traffic on public highways. The Crime Reduction Unit is a plainclothes investigative unit that provides countywide assistance with fugitive apprehensions, case follow-ups, and self-initiated investigations.

John Jakubczak

DISTRICT I, WAILUKU

Everett Ferreira

Effective February 1, 2019, Captain Everett Ferreira took command of the Wailuku Patrol District. At the close of the year, he was assisted by Lieutenants Ernest Soares, Kenneth Doyle, Micah Adams, Richard Rodriguez and John Foster.

During the year, officers of the Wailuku Patrol District received 53,040 calls for police service, compared to 53,648 in 2018. 18,469 or 34% percent of the calls received resulted in an officer documenting a report. District personnel also made 3,761 arrests, 1,602 were for bench warrants, and 214 were for operating a vehicle under the influence of an intoxicant.

The district's traffic enforcement efforts in 2019 resulted in the issuance of 18,770 citations. Our personnel also conducted 10 sobriety checkpoints for the year and arrested 214 individuals for driving while intoxicated. We understand the importance to maintain and improve safety on our highways and continue to ensure that our officers try their best to meet performance standards in this area.

Sergeant Aylett Wallwork supervised the Community Oriented Policing (COP) Program, the Alternative Call Servicing Unit (ACS), and the Highway Incident Traffic Team (HITT) for the year. The purpose of the Community Oriented Policing (COP) Program is to enhance public service and facilitate contact between citizens and police officers. The Alternative Call Servicing Unit handles "over the telephone" non-felony reports which do not require the presence of a police officer. The HITT Unit is utilized for major incidents that have occurred on our highways that affect the motoring public for extended periods of time. HITT responded to 37 callouts and manned traffic posts for a total of 164 hours.

Officer Frank Kuamoo served as the Parking Enforcement Officer for Wailuku in 2019. His primary responsibility is to mitigate traffic congestion in Wailuku Town, and ensure that the area is monitored, regulated and enforced in conjunction with applicable traffic laws and ordinances. Officer Kuamoo issued 2,655 citations and generated 80 cases during the year.

DISTRICT II, LANAI

Lieutenant Ryan Rodrigues was in command of the Lanai District for the entire year. Sergeants Kimberly Masse and Jeremy Pallone-De La Torre served as district supervisors.

Lanai District personnel participated in a variety of community programs and events throughout the year to include Read Across America at Lanai High and Elementary School, the Troy Barboza Torch Run, the Junior Police Officer Program, and the Kahiau Project. Lanai District personnel also focused on developing and strengthening ties within the community through youth activities, particularly via youth sports such as basketball.

Ryan Rodrigues

There were 2,811 calls for service in 2019, as compared to 3,113 calls in 2018. In 2019, 78 adults and 44 juveniles were arrested, an increase from the 66 adults and 63 juveniles arrested in 2018.

Officers issued 853 citations for the year, to include 132 moving violations, 548 regulatory violations, 56 seat belt violations, and 95 parking violations. There were 51 motor vehicle crashes documented in 2019, as compared to 42 in 2018.

DISTRICT III, HANA

On April 16, 2019, Lieutenant Christopher Gantala replaced Lieutenant William Hankins as commander of the Hana District. At the close of 2019, he was assisted by Sergeants Justin Mauliola and Miguel Munoz.

Hana District personnel participated in a variety of community programs and events throughout the year to include the Annual East Maui Taro Festival, the Hana Canoe Regatta, the Labor Day Mountain Ball Tournament, the Hana Relay, and closing with the Aloha Week Festivities.

Motor vehicle crashes for the Hana District increased by 22% from 126 crashes in 2018 to 154 in 2019. There was a 28% increase in major motor vehicle crashes from 32 in 2018 to 41 in 2019. Minor motor vehicle crashes increased by 19% from 85 in 2018 to 101 in 2019, and civil crashes increased by 33% from 9 in 2018 to 12 in 2019.

More than 80% of our accidents occur on the Hana Highway, which is a 46-mile stretch of roadway that winds and curves along the rugged coastline of East Maui. The drive to Hana is a very popular experience for tourists, yet

can be very difficult and distracting for the newcomer because of the views, as they are the ones involved in a majority of our accidents.

Officers made 98 arrests in 2019, as compared to 144 arrests in 2018, a 32% decrease. In 2019, Hana District officers issued 2,408 citations, a 15% increase from the 2,102 citations issued in 2018. The increase in citations is attributed to proactive efforts by officers actively enforcing traffic and regulatory standards, as well as addressing complaints of non-compliance with posted speed limits.

DISTRICT IV, LAHAINA

Reid Pursley

Captain Reid Pursley was in command of the Lahaina Patrol District at the close of 2019. He was assisted by Lieutenant Audra Sellers.

During the year, several problems were identified and addressed through strategies involving aggressive enforcement of existing laws. The top concerns identified by the community were drug activity, homeless issues, speeding and parking violations, and impaired driving enforcement.

The task of removing impaired drivers requires constant vigilance. Operating a vehicle under the influence of an intoxicant (OUI) arrest is a direct intervention aimed at reducing highway injuries and deaths. Patrol and OUI Units have been instrumental in detecting and apprehending impaired drivers in the district. There were 57 OUI arrests in 2019, a decrease of 35% from the 77 arrests for OUI in 2018.

The District issued 10,069 citations in 2019: 89 for speeding, 2,143 for moving violations, 89 for seat belt violations, 9,938 for parking violations, and 3,055 for other traffic infractions.

DISTRICT V, MOLOKAI

Captain Jeraul Pladera was in command of the Molokai Patrol District until August, when he retired and was replaced by Captain Gregg Okamoto. Lieutenant Jamie Winfrey served as Night Commander for the entire year.

Officer Jonathan Aquino served as the School Resource Officer for the year. The School Resource Officer maintains a good rapport with the students and faculty at Molokai Intermediate and High School, and actively conducts conferences and meets with students, parents, and faculty to address such issues as on-campus fighting, gang activity, tardiness and loitering.

Gregg Okamoto

Officer Sepulona Falealii served as the Community Police Officer for the District until March, when he was promoted. The position remained vacant until November when Officer Stafford Caparida was selected. The Community Police Officer is responsible for teaching D.A.R.E. classes and assisting with the Neighborhood Crime Watch.

Officers issued 1,283 citations for the year to include 329 moving violations, 50 seat belt violations, 102 parking violations, and 802 other violations. Officers made 662 arrests, to include six for operating a vehicle while under the influence of an intoxicant.

DISTRICT VI, KIHEI

Captain Randy Esperanza was in command of the district since February 2019. Lieutenant Kyle Nagano served as night commander at the close of the year.

Officers Jared Dudoit and Taylor Kamakawiwo'ole served as the Community Police Officers for the District. The officers attend regular meetings with the memberships of various community associations and home owners groups, as well as participating in the Community Work Day Program, the Kalama Park Action Team, and the South Maui Citizen's Patrol.

Throughout the year, Kihei District officers conducted bicycle patrols and ATV patrols of the district's parks and beaches. This activity serves as a proactive crime prevention measure and a means to enforce violations not typically accessible to officers from their patrol vehicles.

Parks checks are conducted by all district patrol officers throughout their tour of duty. Presence and patrols throughout the various State and County parks within the district have resulted in enforcement measures from the issuance of citations for park violations to arrests for warrants and other criminal offenses.

Randy Esperanza

CRIME REDUCTION UNIT

Sergeant Grant Nakamura was in command of the Crime Reduction Unit for the year. At the close of 2019 he was assisted by Officers Toma Asuega-Stark, Chad Kusunoki, Erik Matsuo, and Asbel Polanco, Jr.

TRAFFIC SECTION

William Hankins

Lieutenant William Hankins took command of the Traffic Section on March 16, 2019. He was supported by Administrative Sergeant Kenneth Kihata, OUI Task Force Sergeant Nicholas Krau, and Solo Bike Sergeant Gregg Rowe.

The primary goal of the Traffic Section is highway safety for all users. The Section will continue to aggressively enforce the traffic laws with a greater emphasis on impaired drivers, speeding, reckless drivers, and those who utilize mobile electronic devices while driving. These violators pose the greatest dangers to other highway users. We will also continue to educate people through presentations and public service announcements.

There were 21 fatal traffic crashes resulting in 23 traffic fatalities in 2019. Speed was a factor in seven of the fatal crashes. Alcohol and drugs were factors in sixteen of those crashes.

Impaired driving is always a concern for law enforcement and the community in general. Aggressive enforcement, saturated patrols, holiday roadblocks, and press coverage have been used as strategies to curb impaired driving. In 2019, the OUI Task Force arrested 311 people for driving under the influence.

The Maui Police Department issued 1,745 citations for Mobile Electronic Device, with the Traffic Section issuing 1,296 of those citations. Department wide, 4,478 citations were issued for speeding, with the Traffic Section issuing 3,556 of those citations. The Traffic Section issued 1,091 seat belt citations in 2019.

Lieutenant Scott Migita was in command of the Juvenile Crime Prevention Division until June 1, 2019, when he was promoted to Captain and assigned to the Quality Assurance Section. Supervisory staff at the close of the year were Sergeant Shane Yoshizawa, Sergeant Terence Gomez, and Supervising Juvenile Counselor Viki Roemmling.

Juvenile Crime Prevention Division operations include designing and implementing programs intended to prevent and control delinquent and criminal behavior by youths, follow-up processing of youth arrests, coordinating or preparing court cases in which juvenile offenders are involved, and diverting juvenile offenders out of the juvenile justice system by referral to juvenile counselors and other social service agencies. In addition, the division has programs that offer both preventative education strategies as well as guidance counseling for those juveniles who are deemed at-risk or who will benefit from these efforts.

Juvenile programs include the Maui Police Activities League, the Pukupahi I Holomua Initiative, Second Chance, the Positive Outreach Intervention Program (POI), Kalo, Keiki Rap, the Teen Academy, and Ho’ohuli. In addition, the Law Enforcement Against Drugs Program (LEAD) was introduced at Lahaina Intermediate School.

Captain Wade Maeda took command of the Vice Division on February 1, 2019.

The importation, distribution, sales, and use of illicit narcotics continues to be a significant problem for Maui County. The goal of the Vice Division continues to be the disruption and dismantling of upper level drug trafficking organizations and to intercept illegal drugs prior to infiltrating our community.

Narcotics investigators continued working aggressively in their investigations into drug users, drug dealers, and drug trafficking organizations at all levels, executing 165 narcotics search warrants, generating 704 cases, and making 110 arrests.

In 2019, the Canine Detail screened approximately 2,814 parcels, 2,821 storage lockers, 3,023 vehicles, 33 residences, and 4 handbags/purses. The Detail was responsible for generating 64 search warrants and 109 narcotics cases. In addition, there were 6 arrests initiated by the Canine Detail.

A total of 33 prostitution/pornography related offenses were investigated during the year, resulting in 37 arrests.

Asset forfeiture continues to be an effective instrument utilized against the criminal element. It is commonly known that criminal entities obtain assets through illegal operations, and facilitate illegal transactions through the utilization of some of these assets, in what they propose to be legal enterprises. In 2019, the Unit investigated 35 asset forfeiture cases, continuing to debilitate and hinder the criminal elements.

SPECIAL RESPONSE TEAM

Lieutenant Keola Tom took command of the Special Response Team in April. Officer Jeffrey Platt continued his assignment as full-time Police Officer with canine duties. At the close of 2019, there were 24 part-time Special Response Team members.

The primary function of the Special Response Team is to handle any high risk incident, to include hostage situations, barricaded subjects, high risk search warrants, and the arrest of high risk fugitives. The Special Response Team also responds to cases of missing persons where tracking canine Jack is used to find them.

In 2019, the Special Response Team was activated on 12 occasions and executed 58 felony warrants of arrest. Overall, the Team made 549 arrests throughout the year.

We pray for the strength to take us where others will not go

As we are sworn to protect and serve all
who live and visit the County of Maui
