WAILUKU, MAUI, HAWAII 96793**

REQUEST FOR WATER SERVICE

3/15/2021

- Request may only be submitted by a property owner.
- Proof of ownership may be required to process this request.
- Water meter upgrades require verification of assignment of existing water meter to the tax map key parcel provided. Therefore, we will notify you if the water meter account provided is not assigned to the tax map key parcel provided.
- Submittal of a building permit application may be required for an additional water meter (beyond 1st water meter).
- Receipt of a request for water service by the Department of Water Supply does not infer water service will be approved.
- Approval of this request is dependent upon the availability of water and the adequacy and capacity of the existing water system at the time this request is reviewed.
- Submit completed request to DWS.Engineering@mauicounty.gov.

By signature below, I certify that I am the property owner listed below and hereby request additional water service for the property listed below:
