

**STATE PROCUREMENT OFFICE
NOTICE OF REQUEST FOR EXEMPTION
FROM HRS CHAPTER 103D**

TO: Chief Procurement Officer

FROM: County of Maui, Department of Water Supply
Name of Requesting Department

Pursuant to HRS § 103D-102(b)(4) and HAR chapter 3-120, the Department requests a procurement exemption for the following:

| |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Describe the goods and/or services: Enter into electric power purchase agreement to purchase solar photovoltaic generated electrical power for use at County of Maui, Department of Water Supply, Waihee deep portable water wells. Solar / photovoltaic size 1313 KW, Battery 1.25 MW. |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| | |
|---------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|
| 2. Vendor/Contractor/Service Provider: Ameresco Inc, 1001 Bishop Street ASB Tower Suite 950, Honolulu, Hawaii 96813 | 3. Amount of Request: \$ Based on Pwr used |
| 4. Term of Contract From: 2021 To: 2050 | 5. Prior SPO-007, Procurement Exemption (PE): n/a |

| |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6. Explain in detail, why it is not practicable or not advantageous for the department to procure by competitive means: Highly specialed and complex array of solar photovoltaic system equipped with battery storage to supplement electrical power demand for our deep well pumps, Vendor has exclusive land lease of surrounding properties for solar / photovoltaic power (alternate energy) transmission to our well site. |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: No other vendors can provide similar without access on neighboring properties, and Ameresco is not a public utility company. |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

*Point of contact (Place asterisk after name of person to contact for additional information).

| Name | Division/Agency | Phone Number | e-mail address |
