CDBG Program Manager
Phone: (808) 270-7213

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Executive Summary: The U.S. Department of Housing and Urban Development (HUD), Office of Community Planning and Development (CPD) provides funding to five formula grant programs: Community Development Block Grant (CDBG), Home Investment Partnerships (HOME), Emergency Shelter Grant (ESG), Housing Opportunities for Persons with AIDS (HOPWA) and the Housing Trust Fund (HTF). CPD seeks to develop viable communities by promoting integrated approaches that provide decent housing, a suitable living environment, and expand economic opportunities for low- and moderate-income persons. The primary means towards this end is the development of partnerships among all levels of government and the private sector, including for-profit and non-profit organizations. The Consolidated Annual Performance and Evaluation Report (CAPER) is an annual reporting requirement of the County of Maui (County), as a grant recipient of federal funds, by which the County must review and report on the progress it has made in carrying out its Consolidated Plan (ConPlan) and Annual Action Plan (AAP) during the previous program year (July 1, 2020 through June 30, 2021). The CAPER must be submitted to HUD by September 30, 2021, 90 days after the close of each program year. The ConPlan is a five-year strategic plan that identifies priority housing and community development needs as well as goals to address these priority needs in the areas of housing, homelessness, and community development for low- and moderate-income families and addresses how the County intends to meet these needs and goals utilizing the funds available through the HUD grant programs in partnership with other County, State and private assistance. As part of the ConPlan each program year, an AAP describes the specific activities and projects the County will undertake with anticipated CDBG and HTF funds. The ConPlan for projects opened in PY 2020 is for the period of July 1, 2020 through June 30, 2021 which was approved by HUD on July 21, 2020. The 2020 to 2024 Consolidated Plan and the Program Year 2020 Annual Action Plan were amended on July 30, 2020 to include the Housing Trust Fund (HTF). For the amended 2020 - 2024 ConPlan, the County of Maui has embraced the following five HUD strategic goals for its CDBG, HOME and HTF Programs: Increase homeownerhip opportunities; Promote decent affordable housing; Strengthen communities; Ensure equal opportunity in housing and Embrace high standards of ethics, management and accountability. It is important to note that CDBG is the only CPD formula grant program that HUD administers directly to the County. Other CPD formula grant programs, Home, ESG and HOPWA are administered by the State of Hawaii. Community Development Block Grant Summary: The Community Development Block Grant (CDBG) Program Office, which is a division of the Office of the Mayor, administers the CDBG funds for the County. For the period July 1, 2020 to June 30, 2021, Program Year (PY) 2020, the County received a CDBG allocation of \$1,880,923. On an annual basis, the County's CDBG objectives for the upcoming program year are carefully aligned with its ConPlan long-term goals through a competitive application process (Request for Proposals) that governs the acceptance, evaluation and

selection of projects proposed for funding in the County's Annual Action Plan (AAP) filed with HUD. For projects falling under the prior ConPlan period (2010 – 2014 and 2015-2019) please refer to the attached PR03 report.

For Housing Trust Fund Summary please refer to Section CR15 Resources and Investment.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)
 Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan,

giving special attention to the highest priority activities identified.

The distribution of CDBG funds is based on the priority needs and objectives identified in the County of Maui ConPlan. The CDBG funds are allocated on an annual basis utilizing a competitive, open application process in which proposals are evaluated and rated for program eligibility, fulfillment of County priorities and objectives, need, impact and other considerations pursuant to the County of Maui CDBG Program Project Evaluation & Rating System. This CDBG evaluation and rating process is outlined in the CDBG Program Request for Proposals Application Packet for PY 2020, which is available at the CDBG Program Office and on the County of Maui website at <http://www.mauicounty.gov/mayor/community>.

In 2020, an amendment to the 2019 Annual Action Plan was executed to include CARES Act CDBG-CV funds to provide rental assistance and mortgage assistance to individuals and families affected by the coronavirus pandemic.

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The County has adopted the State's Affirmative Action plan as contained in the State's CAPER. The County has provided a copy of the plan to all of its recipients.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	1,880,923	1,737,754
Housing Trust Fund	public - federal	2,850,000	0
Other	public - federal	450,000	0

Table 3 - Resources Made Available

Narrative

Under the CDBG allocation 100% will be expended on projects that will benefit low- and moderate-income individuals and families. Under the Housing Trust Fund 100% will also be expended on two affordable Housing Project in South Maui. 100% of the reprogrammed HOME CHDO set aside funds listed above as "Other" will be expended to assist individuals and families affected by the pandemic through the TBRA program.

The distribution of CDBG funds is based on the priority needs and objectives identified in the County of Maui ConPlan. The CDBG funds are allocated on an annual basis utilizing a competitive, open application process in which proposals are evaluated and rated for program eligibility, fulfillment of County priorities and objectives, need, impact and other considerations pursuant to the County of Maui CDBG Program Project Evaluation & Rating System. This CDBG evaluation and rating process is outlined in the CDBG Program Request for Proposals Application Packet for PY 2020, which is available at the CDBG Program Office and on the County of Maui website at <http://www.mauicounty.gov/mayor/community>.

Narrative

Narrative

HOME Investment Partnerships (HOME) Program – HOME funds are used to support local housing activities that provide decent, safe, affordable, and sanitary housing for low-income households. HOME funds assist activities to increase housing inventory for both affordable rentals and homeownership. HOME funds are received from the State of Hawaii, Hawaii Housing Finance and Development Corporation (HHFDC) on a rotational basis with the Counties of Hawaii, Kauai, and Maui. Under this rotation, Maui County received an allocation of funding in PY 2020 of \$2,850,000.00. PY 2020 funds were committed to the following activities: \$450,000.00 to a COVID-19 Tenant Based Rental Assistance Program, \$1,734,200.00 to Kaiaulu O Halelea 64 – a 64 unit multifamily rental project located in Kihei, Maui, Hawaii, \$515,800.00 to Kaiaulu O Halelea 56 – a 56 unit multifamily rental project located in Kihei, Maui Hawaii, and \$150,000.00 to County Administration. The County expects to receive its next HOME funding in PY2023. The State (HHFDC) is required to submit a CAPER to HUD which includes the County of Maui HOME Program; therefore, the information regarding the County of Maui HOME Program in the PY2020 CAPER is provided for informational purposes only. Housing Trust Fund – For the period July 1, 2020 to June 30, 2021, (PY 2020), the County received an HTF allocation of \$2,850,000. The County receives the funds on a three year rotational basis with the other non-metropolitan counties of Kauai and Hawaii. In those years in which the County receives funding, the Housing Division solicits projects aligned with the County ConPlan long-term goals through a competitive application process (Request for Proposals) as outlined in our approved allocation plan, which governs the acceptance, evaluation and selection of projects for funding in the County’s Annual Action Plan (AAP). The County expects to receive it’s next HOME funding in PY 2023.

The distribution of HTF funds targets the primary areas of Maui’s transit and employment, and primary areas of substantive population in the judicial districts of Lahaina, Wailuku, Makawao, Hana, Molokai and Lanai. The HTF funds are allocated to the County on a three year rotational basis with the other non-metropolitan counties, and utilizes a competitive, open application process in which proposals are evaluated and rated for program eligibility, fulfillment of County priorities and objectives, readiness, financial feasibility and other considerations pursuant to the County of Maui National Housing Trust Fund Allocation Plan. PY 2020 funds were committed to the following activities: \$1,160,672.00 to Kaiaulu O Halelea 64, \$1,539,328.00 to Kaiaulu O Halelea 56, and \$150,000.00 to County Administration.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The PY 2020 HOME and HTF funds allocated to the Kaiaulu O Halelea 64 and Kaiaulu O Halelea 56 projects were leveraged against a variety of resources, including:

- County Affordable Housing Funds - \$1,508,558 allocated to Halelea 64 and \$3,025,442 allocated to Halelea 56
- Tax credit equity - \$33,375,478 allocated to Halelea 64 and \$17,478,009 allocated to Halelea 56
- Deferred developer fee - \$3,054,000 allocated to Halelea 64 and \$2,403,991 allocated to Halelea 56
- Rental Housing Revolving Funds - \$10,890,480 allocated to Halelea 64 and \$10,500,000 allocated to Halelea 56

The County has an excess match of \$15,067,308.14 which will be carried forward into PY 2021.

DRAFT

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	4	6
Number of Special-Needs households to be provided affordable housing units	0	0
Total	4	6

Table 5 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	1,464	1,550
Number of households supported through The Production of New Units	4	6
Number of households supported through Rehab of Existing Units	0	0
Number of households supported through Acquisition of Existing Units	0	0
Total	1,468	1,556

Table 6 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Three natural disasters hindered the project time line for Kaiwahine – a 120 unit rental project in Kihei. Delays continued until the last building was turned over in April of 2020. Project construction was completed in May, 2020 and residents began moving in immediately, however insurance paperwork and reconciliation of costs with the bank prevented project close out in IDIS before 30 June 2020.

The Section 8 program maintained a high percentage of voucher utilization – consistently remaining above 90% utilization. The County has completely cleared the old wait list, has subsequently opened a new list in January, 2021, and has begun calling up applicants from the wait list to fill vouchers which have become available through normal attrition of participants in the program over the past years.

Housing Trust Fund Summary: The Housing Division, which is a division of the Department of Housing and Human Concerns, administers the HTF funds for the County. For the period July 1, 2020 to June 30, 2021, PY 2020, the County received an HTF allocation of \$2,850,000. The County receives the funds on a three year rotational basis with the other non-metropolitan counties of Kauai and Hawaii. In those years in which the County receives funding, the Housing Division solicits projects aligned with the County ConPlan long-term goals through a competitive application process (Request for Proposals) as outlined in our approved allocation plan, which governs the acceptance, evaluation and selection of projects proposed for funding in the County’s Annual Action Plan (AAP).

Discuss how these outcomes will impact future annual action plans.

The County is putting increased emphasis on building affordable rental projects. The County anticipates Kaiaulu O Halelea 64 and Kaiaulu O Halelea 56, an affordable rental project totaling 120 units in north Kihei to be completed in March, 2022. Phase I (64 units) of the Kaiaulu O Halelea project and Phase II (56 units) of the Kaiaulu O Halelea project will receive HTF funding.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual	HTF Actual
Extremely low-income	0	0	6
Low-income	0	0	
Moderate-income	0	0	
Total	0	0	

Table 7 – Number of Households Served

Narrative Information

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

As the primary contractor for homeless outreach in Maui County, Family Life Center, Inc. has been extremely effective in performing outreach services in Maui County. FLC has proven to be focused on case management with housing as the ultimate goal. In FY 2019, outreach accounted for approximately 424 intakes. Of the total, 90 individuals were from families, and 18 were youths and the remainder were singles.

The 2020 Point in Time (PIT) count reflected that there were 375 unsheltered homeless in Maui County, the number of outreach intakes show an aggressive effort in reaching those unsheltered individuals and families. The homeless service systems HUD-compliant as we utilize the VI-SPDAT, Coordinated Entry System (CES) and low-barrier shelter and housing access to address the needs of the unsheltered.

Maui County has contributed directly to the capacity of our community's homeless outreach efforts. In Fiscal Year 2020, the County provided more than \$633,300 to fund outreach activities. Moreover, funding for services that have a direct impact on the homeless such as legal services, food security, and case management, totaled more than \$855,000.

Addressing the emergency shelter and transitional housing needs of homeless persons

In FY 2019, Maui County recorded 602 intakes into Emergency Shelter. The two main shelters within the county are Family Life Center and Ka Hale A Ke Ola Homeless Resource Center. Of the total ES intakes, 294 were families, 40 were youth, and the remainder were singles. There were 275 placements into Transitional Housing (Ka Hale A Ke Ola is the sole provider of TH). Of the total TH placements, 186 were from families, 16 were youth, and 89 were singles.

Maui County has historically provided a great deal of financial support to maintain our safety net for the homeless. Currently, the county provides more than \$652,000 in direct funding to Ka Hale A Ke Ola for shelter operations at their Wailuku and West Maui facilities. Additionally, funding of \$192,337 is provided to Mental Health Kokua for a Safe Haven program that specifically address the shelter need for those homeless with severe and persistent mental illness. County funds leverage State funding for homeless shelters provided through the State of Hawaii's Department of Human Services.

Maui County also contributes to the homeless service system through its participation in the Maui

Homeless Alliance and by taking the lead in coordinating efforts to disrupt homeless encampments in our community and propel unsheltered homeless into engagement with services. By working with various County and State agencies, and with the private land owners, the Homeless Division has been able to disrupt encampments and assist assertive outreach efforts that have yielded positive outcomes for those individuals and families that are willing to engage with the providers for housing and services.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Maui County has been effectively administering the Rental Assistance Program (RAP) to alleviate the risk of becoming homeless. Agencies that are utilizing and managing these funds include, Maui Economic Opportunity, Ka Hale A Ke Ola, Women Helping Women and Family Life Center. County funding for the Rental Assistance Program was \$1.4 million in FY 2020. The Family Life Center also was awarded HUD/State of Hawaii Rapid Re-Housing programs/funding.

Various homeless services agencies work closely with health care providers, correctional facilities, and the foster care system/judiciary, to address individuals that may be at risk of becoming homeless upon exit from each respective system or facility. There has been increased involvement with health care providers and health insurance providers to provide more comprehensive plans to prevent individuals released from from health care facilities to homelessness. The County has convened several meetings with the leaders of the Maui Memorial Medical Center (i.e. hospital) to discuss ways in which homeless individuals could be transitioned to step-down care vs. discharged back into unsheltered conditions. We know from programs that operate on Oahu that this type of intervention would preserve resources and save lives. The County is committed to working with our partners to move discussion forward.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Maui County is dedicated to the utilization of the Housing First Initiative's Coordinated Entry System (CES), which places a high focus on housing the most vulnerable by priority in the most expedited manner possible. The CES has been in operation for nearly three (3) years in Maui County.

In FY 2019, 77 placements of Chronically Homeless were made into Permanent Supportive Housing units. This included families, veterans, and youth. The CES also has a focus on reducing the number of days from intake to placement in permanent housing. As the CES evolves and acclimates to the needs of the community, the numbers of placements and length of time to get into placements have steadily improved.

The County of Maui has consistently participated in the Balance of State Continuum of Care (CoC) known as Bridging the Gap. We continue to play a key role in the Maui Homeless Alliance, Maui's BTG chapter, as we work toward improved coordination of services and a focus on public education and engagement. Maui Homeless Alliance is one of the driving forces in holding an annual Landlord Summit event to recruit landlords and property managers to grow the inventory of affordable housing options available to house our target population. Access to affordable housing remains a goal for the County and our community

DRAFT

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Hawaii Public Housing Authority (HPHA) is responsible for the development and operation of all public housing projects within the County. Please refer to the State's CAPER for PY 2020 for additional information regarding Public Housing within the County.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Hawaii Public Housing Authority (HPHA) is responsible for the development and operation of all public housing projects within the County. Please refer to the State's CAPER for PY 2020 for additional information regarding Public Housing within the County.

Actions taken to provide assistance to troubled PHAs

The Hawaii Public Housing Authority (HPHA) is responsible for the development and operation of all public housing projects within the County. Please refer to the State's CAPER for PY 2020 for additional information regarding Public Housing within the County.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The County works with developers to help move projects forward in several ways. Developers may propose projects that include a minimum of 51% workforce units through the Hawaii Revised Statutes 201H-038 process or alternatively may propose projects that are 100% workforce projects through the Maui County Code Chapter 2.97 process that allows for fast track development of said projects. Additionally, Maui County Code Chapter 2.96 supports the development of additional workforce units by means of inclusionary zoning requirements.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

Lack of funding continues to be a major obstacle to meeting the County's underserved needs. During the reporting period, the County allocated local grant funds in the amount of \$5,971,213 to community social service organizations that provide programs to the underserved communities. In addition, the County continued to work with the local housing providers and the private sector to effectively and efficiently develop affordable housing to meet the needs of the homeless and special needs population.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The State Department of Health (DOH) provides surveillance, technical assistance and consultation in collaboration with medical providers who screen and manage elevated blood lead levels in children. Medical case management includes nutritional and developmental assessment with lead hazard reduction education. During PY 2020, the County continued to assist in educating the public on the hazards of lead-based paint by providing informational materials to Section 8 participants and the County's tenants and landlords in our lease-up packet, and as requested. In February 2020, HCV Program Supervisor and HCV Inspectors completed the HUD Office of Healthy Homes and Lead Hazard Control's Visual Assessment Course, pursuant to 24 CFR Part 35.

On 04 February 2020 it was confirmed there was an elevated blood lead level (EBLL) for a child whose family is receiving HCV assistance. The County of Maui notified HUD and other required agencies of the EBLL case, coordinated an Environmental Investigation of the unit, and ensured the owner completes

and clears the control of lead-based pain hazards identified in the Environmental Investigation.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The County of Maui's Rental Assistance Program helps families establish financial stability through temporary rental assistance and case management support services. The County of Maui also completed a rehabilitation project of a County-owned property, utilizing state Dwelling Unit Revolving Funds (DURF) and 'Ohana Zone funds, which provides housing and wrap-around services for twelve homeless families, who were selected through the Continuum of Care and moved in to the property in April 2021. The project includes the possibility of increasing density to house additional individuals and families in the future.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The County of Maui continues to participate in Bridging the Gap, which is the Continuum of Care uniting all three rural county homeless alliances and has been designated as the primary planning and decision-making body. The State, through the Department of Human Services – Benefits, Employment and Support Services, reports on the Continuum of Care, the allocation of ESG and HOPWA funds, and the operation and administration of HMIS in the PY 2020 CAPER. Please refer to the State's CAPER for additional information regarding the Continuum of Care, the allocation of ESG and HOPWA funds, and the operation and administration of HMIS.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

In addition to the County's participation in Bridging the Gap and funding provided to social service organizations, the County continues to partner with housing organizations, both public and private to help increase housing opportunities in Maui County. These partnerships have included Habitat for Humanity, Lokahi Pacific, Na Hale O Maui, and Hale Mahaolu to increase housing units today and in the

immediate term, as well as working with private developers to bring a continuing supply of housing units to our County in the long term. To ensure an integrated approach to addressing its community development and housing needs, the County of Maui's CDBG Program Manager and HOME/HTF Program Coordinator participated in statewide meetings, seminars, and conferences to plan and evaluate the community and housing needs and the performance measures for the CDBG and HOME Programs. The County's Continuum of Care group met monthly to review and coordinate statewide initiatives relative to homelessness; the Interagency Council on Homelessness met quarterly to coordinate statewide strategies and provide access to current information on homeless programs and services; and the County of Maui's Coordinated Homeless Response Team met monthly to coordinate proactive and immediate solutions to acute homelessness issues affecting public health and safety. The County also participated in the monthly statewide housing administrators meeting to review work in progress, plan and collaborate on housing development initiatives and activities. Furthermore, key County departments met regularly to coordinate efforts, resolve and expedite issues, and facilitate progress in meeting County requirements in order to encourage affordable housing in project developments.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The County of Maui engaged in the following activities in attempt to remove impediments and to affirmatively further Fair Housing in Program Year 2020:

1. Provided assistance to the Equal Opportunity Specialist of the U.S. Department of Housing and Urban Development (HUD) by receiving housing discrimination complaints and forwarding all pertinent information to Legal Aid Society of Hawaii, the Hawaii Civil Rights Commission and/or HUD.
2. The County has participated in quarterly Fair Housing Coordinator meetings to work in tandem with jurisdictional partners in identifying and responding to impediments. These partners include representatives from HUD, the Hawaii Civil Rights Commission, Legal Aid Society, Hawaii Housing Finance and Development Corporation, Department of Hawaiian Homelands, City and County of Honolulu, Hawaii County, and County of Kauai. A series of free, online seminars on Fair Housing topics was presented during April 2021, 131 attendees from Maui County registered to attend these seminars.
3. The impediment regarding insufficient enforcement of fair housing laws is addressed by providing a direct link to the Fair Housing website of US Department of Housing and Urban Development (HUD) and Hawaii Civil Right Commission's filing a complaint web page to provide direct access to those whose Fair Housing rights might have been violated. During PY 2019, the County's Fair Housing website received 814 site visits.

The County of Maui Fair Housing Coordinator received 28 inquiries directly via phone or email communications. Resources on fair housing laws were shared with all inquirers.

4. The Analysis of Impediments identified an opportunity to increase fair housing training for all department staff. The County held two trainings for Housing Division staff – the first was held in August 2020 and was facilitated by Legal Aid Society of Hawaii, the second was held in March 2021 and was facilitated by Nan McKay & Associates.

DRAFT

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Consolidated Annual Performance and Evaluation Reports - The County will provide citizens with reasonable notice and opportunity to comment on Consolidated Annual Performance and Evaluation Reports (CAPER) relative to the Consolidated Plan.

1. Prior to submitting final CAPERs to HUD, the County will conduct a public hearing for the purpose of obtaining citizens' views and comments. Notice of the public hearing will be published in a newspaper(s) of countywide publication or other means authorized by HUD and posted on the County's website. The notice will also include the following locations where copies of the proposed CAPER may be examined: the County's CDBG Program Office as well as the Housing Division Office of the Department of Housing and Human Concerns. Written comments relative to program performance will be received by the County for a period of not less than 15 days after the date of notice. The County will consider any comments or views of citizens received in writing, or orally at the virtual public hearing, in preparing the CAPER. A summary of these comments or views, including a summary of any comments or views not accepted and the reasons therefore, will be attached to the CAPER.

2. The virtual public hearing may be held in conjunction with other public hearings required by this Citizen Participation Plan; however, the period for receiving comments relative to CAPERs will be as described in the paragraph above.

CAPER Citizen's Participation: The virtual public hearing was held on August 24, 2021 at 9:00 a.m. thru Bluejeans.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

None

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

DRAFT

CR-56 - HTF 91.520(h)

Describe the extent to which the grantee complied with its approved HTF allocation plan and the requirements of 24 CFR part 93.

The County of Maui identified the Kaiaulu O Halelea 64 (Phase 1 of 2) and Kaiaulu O Halelea 56 (Phase 2 of 2) projects in Kihei to receive HTF funds, with the Hale O Pi'ikea, also in Kihei, as an alternate project. In PY2020, the County of Maui committed its PY 2020 and a portion of PY2019 HTF funds toward the Kaiaulu O Halelea 64 and Kaiaulu O Halelea 56 Projects. Construction estimated to begin in PY 2021. The County of Maui's PY2017 Kawaihine Village Phase II project was completed in PY2020.
