

STATE PROCUREMENT OFFICE
NOTICE OF REQUEST FOR EXEMPTION
FROM HRS CHAPTER 103D

TO: Chief Procurement Officer

FROM: DEM / EP & S
Name of Requesting Department

Pursuant to HRS § 103D-102(b)(4) and HAR chapter 3-120, the Department requests a procurement exemption for the following:

1. Describe the goods, services or construction:
Cameron Chemical Corp would be contracted to pump, package, transport, and properly dispose of 3000 gallons of toxic used motor oils as well as 150 gallons of pain thinners from an abandoned tractor trailer truck on Moloka'i. They will also dismantle and properly dispose of various used containers, totes, and drums found on the site that we used to contain the various liquids.

Table with 2 columns: Vendor/Contractor/Service Provider (Cameron Chemical Corp), Amount of Request (\$ 31,770.63), Term of Contract (8/13/2022 to 9/30/2022), and Prior SPO-007, Procurement Exemption (PE).

6. Explain in detail, why it is not practicable or not advantageous for the department to procure by competitive means:
Cameron Chemical Corp has conducted and provided the initial assessment and has already been coordinating with the various stakeholders involved familiar with the project. Cameron Chemical currently hold permission to access the site where the toxic chemicals are at the moment. They also have produced a site and project-specific removal plan for the toxic wastes.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:
This vendor was selected originally because they already do work related to toxic chemical management for us on Molokai and we were able to have an inexpensive assessment conducted due to their proximity and familiarity with Molokai. Equipment is already there and travel costs are being waived for this reason.

8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).

*Point of contact (Place asterisk after name of person to contact for additional information).
