

**PS-FORM E**

**SPECIAL INSPECTIONS FORM**

2012 International Building Code, Section 1705

County Use Only	
APPLICATION NO.	
DATE/COMMENT	

Submittal, Duties, and Responsibilities of the Design Professional and Special Inspector	
1.	A <u>separate Special Inspections Form</u> is required for each building permit application.
2.	Observe work assigned for conformance with approved design drawings and specifications.
3.	Furnish inspection reports to the owner, the architect or engineer of record. Discrepancies shall be brought to the immediate attention of the contractor for correction, then, if uncorrected to proper design authority and to the building official.
4.	Prior to final inspection, the architect or engineer of record shall submit a written statement to the Building Inspection Section verifying receipt of the final inspection reports and documenting that there are no unresolved code requirements that create significant public safety deficiencies.
