

The Countywide Policy Plan

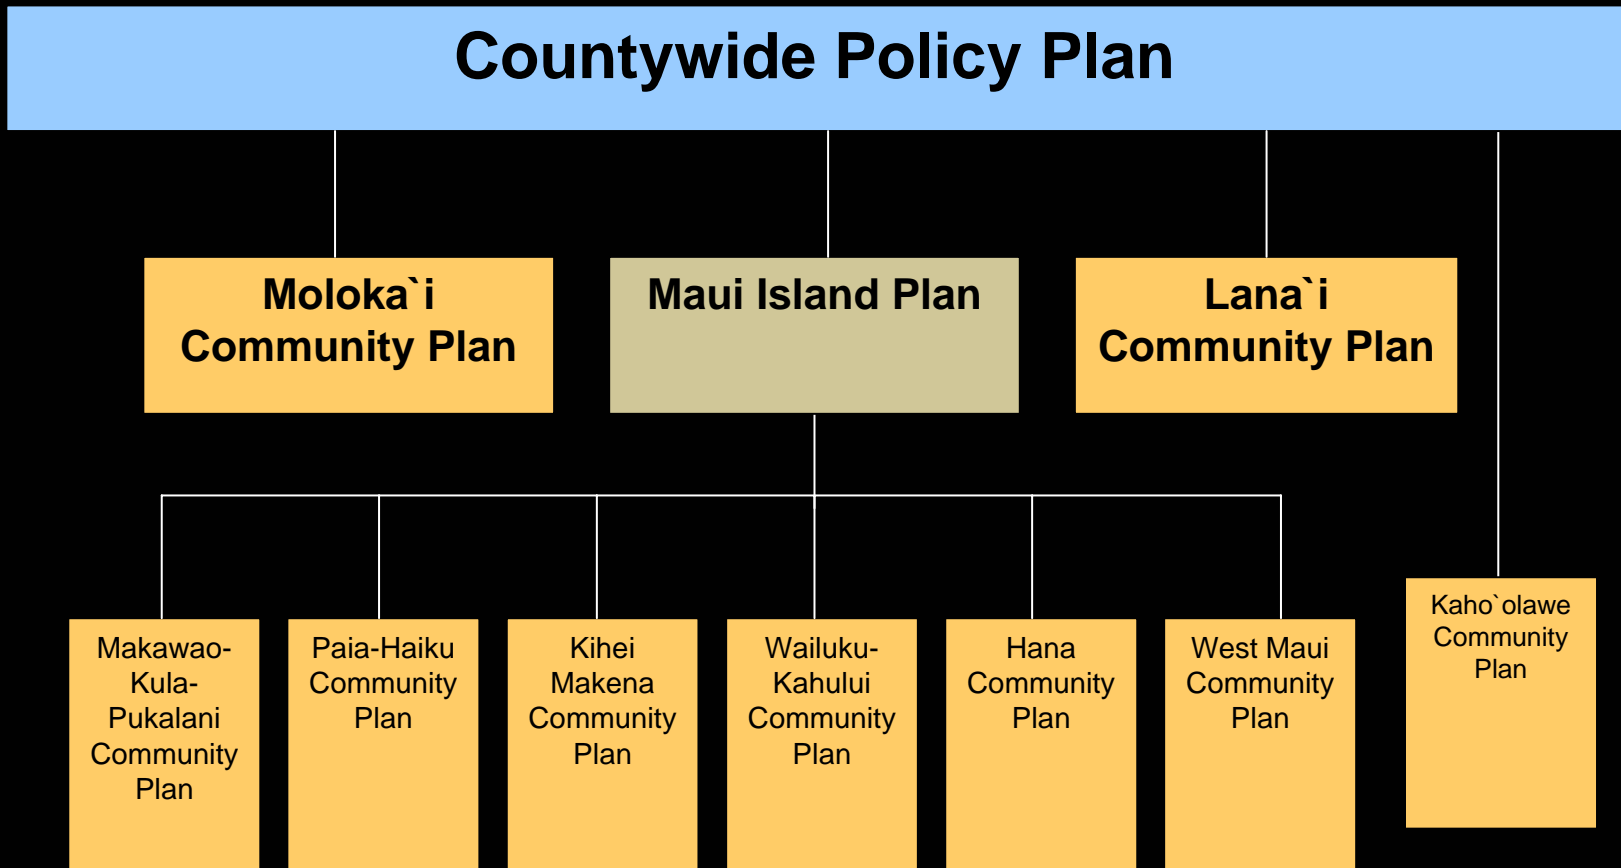

Countywide Policy Plan

MCC 2.80B

- Over-arching policy plan for all islands
- Provides a vision for the County
- Core principles for the County
- A list of goals, objectives and policies
- Portray the desired direction of the County's future
- Creates a structure to develop Island and Community Plans following the Policy Plan

General Plan Update Documents

Three phases of the plan development

1. Public Participation
2. Data Gathering & Analysis
3. Defining the Preferred Future

Organization of the Plan

Part I

- Section I: Introduction
- Section II: Maui County Today
- Section III: Key Strategies
- Section IV: Goals, Objectives & Policies
- Section V. Next Steps

Part II

- A. Focus Maui Nui Executive Summary
- B. Historical Background of Maui County

Measures of Success

- Reflects the needs and desires of the citizens of Maui County
- Realistically integrates and reflects the conditions and trends
- Inspires consensus and cooperation

Our Collective Assignment

- There are inherent challenges built into this process – timing, multiple advisors, 3 islands,
- Approach with patience & cooperative spirit,
- Be up front about ideas and concerns,
- Represent all your roles (professional, social, parental, etc.),
- Always keep in mind that this plan applies at a Countywide level – “philosophy plan”.

Today's Deliverables

- Countywide Policy Plan
- Memo on Goals, Objectives & Policies
- Copy of this presentation

Coming soon:

- A matrix comparing the 1990 Plan objectives and policies to the new statements.

Role of the GPAC's

- Read and review the plan document.
- Focus on goals, objectives and policy statements – critically evaluate.
- Determine whether or not you agree with the statements.
- Ensure that the statements in this section enable and do not prevent desired activities.
- Ask if these statements go far enough to inspire consensus and cooperation.

A scenic view of a forested coastline. The foreground shows a dark, rocky shore leading to a small, sandy beach. The ocean is a deep blue, with gentle waves lapping at the shore. In the background, a large, densely forested hillside rises from the water's edge, extending towards the horizon under a clear sky. The overall lighting is soft, suggesting a calm, overcast day.
