

Automated Motor Pool Vehicle Reservation & Key Distribution System
 Addendum No. 1
 Dated July 26, 2013
 RFP 13-14/P-1

This addendum is hereby made a part of RFP No. 13-14/P-1 and it shall amend the said document in the following respects:

The County of Maui has provided responses to questions submitted by prospective vendors for this RFP.

Questions Regarding
 Automated Motor Pool Vehicle Reservation & Key Distribution System, RFP 13-14/P-1

#	Page	Section / Reference	Question / Request for Clarification	County of Maui Response
	1	Purpose and Objective	The RFP states that the proposed system will manage “approximately 50 vehicles at multiple parking lots within the Wailuku Campus”. Please state the quantity and capacity of the desired key control devices if it is greater than one key control device with a capacity of 50 keys.	One (1) key control device only! For approximately 50 vehicles.
		GENERAL	Is there any specific format (e.g. outline) desired for the proposal response?	<u>Please use the RFP form to respond.</u> The specifications require a Yes or No response per spec. item and where a response is requested beyond a yes or no, use the space provided. If additional space is required use an additional sheet(s) with a reference to the spec. item.
	2	Software requirements	Is any type of specification, or description, of the desired Networkfleet GPS system compatibility available to prospective vendors? That is, is any specific interface or data related to the cross-system compatibility available to vendors?	This procurement seeks the maximum interconnectivity between the Motor Pool system and that of Networkfleet’s. (Note: The county uses the 5500 GPS units).
	8	Key Distribution System Hardware	Are you able to further describe the location where the key box is proposed to be installed, including, but not limited to: indoors or outdoors, direct exposure to rain, description of sun angle, mounting surface? If possible, provide photos of the desired location.	The hardware installation will be indoors on a concrete wall.
	9	First Year Price	Is it desired that vendors include setup, training, and other startup costs in the “Annual License/Maint” line item? That is, should all costs not specifically associated with hardware in the	Yes, to both questions.

			first year be included under "Annual License/Maint"?	
9	Price		Is it desired that "Second Year Price" include all software maintenance, technical support, and hosting costs for the time frame after Year 1?	Yes
9	Price		Does the County desire on-site training to occur after Year 1?	No.
9	Price		Please provide the specifics of the administrator's tablet that is to be included in the hardware price.	Disregard this specification. Do NOT include in Price!
