This addendum is hereby made part of RFP No. 13-14/P-1 and it shall amend the said document in the following respects:

The County of Maui has provided responses to questions submitted by prospective vendors for this RFP.

Questions Regarding  
 Automated Motor Pool Vehicle Reservation & Key Distribution System, RFP 13-14/P1

#	Page	Section / Reference	Question / Request for Clarification	County of Maui Response
1	5	Reservation System and Key Control Device	Will the mileage entered for each vehicle be by user/driver or another automated method?	On page 5, second specification from the top the odometer reading is one of the items the system will need to collect from the driver. As stated in Addendum # 1, item 3. We are seeking the maximum interconnectivity with the Networkfleet GPS system.
2		GENERAL	If a automated system updates meter readings, please identify the vendor and frequency of the meter updates.	The Networkfleet GPS system provides two (2) minute updates.
3		GENERAL	Will the driver need a completed reservation receipt auto emailed after the keys/vehicle is returned?	Yes.
4	11	Installation	Will County of Maui staff mount the Keybox to the wall at the location?	No, the vendor is responsible for the installation of the hardware.
5	4	Reservation System and Reports	Regarding ad-hoc reports. What reports are you requesting? Would you provide "more details"?	This specification seeks examples from the vendor.
6	4	Reservation System and Reports	Our understanding is that the system shall save historical usage data, providing reports automatically as other specifications require.	Yes.
7	7	Reservation System / key Control Device	Our understanding is that if an actual driver is not the same as the person who made the reservation, the system will still accept the reservation.	Yes.
8	7	Reservation System / key	What do you mean by, the system shall list authorized users as defined by the Motor Pool shall have reservation and use	Only authorized users are able to access the system and make reservations.
