**A MESSAGE FROM MAYOR
ALAN M. ARAKAWA**

Aloha,

Welcome to the Maui County Recycling, Refuse & Landfill Guide, where you will find the most up-to-date information on how and where to recycle and reuse items, dispose of trash and even make a little money in the process. As our County continues to grow, it is important that we make wise decisions about how we handle items and materials that are no longer of use to us.

Some of these items may be useful to others, and we ask that you take a little time to make sure these items reach the appropriate people and organizations. Other materials can be recycled, and now more than ever it is vital that we recycle everything we can. Please take the time to learn what kinds of items can be recycled at our County recycling centers, as well as those that can be recycled in other ways.

For items that cannot be reused or recycled, we have our hard-working 'Ōpala Pickers, the dedicated County refuse collectors who ensure your trash is handled properly and safely. Please follow directions carefully if you visit the landfills; our expert landfill staff members are there to assist you, and to help protect our 'āina.

Working together, we can make sure that the paradise we call home continues to be the beautiful, clean and safe place we all know and love.

Mahalo for your kōkua,

JUNK & ABANDONED VEHICLES INFORMATION

JUNK VEHICLES Cars & trucks that are no longer repairable or must be disposed of should be taken to a metals processor that is permitted to take vehicles. For more information on Maui, call Hammerhead Metals Recycling at 280-8844. Neighbor islands call 808-270-6102.

ABANDONED VEHICLES To report an abandoned vehicle on the highway or in your neighborhood on Maui, please call the MPD non-emergency number, 244-6400 and dial "0" to file a report. On Molokai, call 553-5355.

PARK SMART If your vehicle is not working, park it in your driveway or on your property; do NOT leave it parked on the street while waiting for parts or repairs. A vehicle can be legally defined as abandoned if parked on the roadside in the same location for more than 24 hours. Registered owners will be held responsible for abandoned vehicles

GENERAL INFORMATION: Call 270-6102 or go to: www.mauicounty.gov/solidwaste

HOUSEHOLD HAZARDOUS WASTE (HHW)

LARGE QUANTITIES OF HOUSEHOLD HAZARDOUS WASTE or COMMERCIAL HAZARDOUS WASTE HANDLING: Call Cameron Chemical Corp. 808-695-2999, Oasis Environmental Group 808-529-1300, EnviroServices 808-839-7222, or PSC 713-623-8777.

BATTERIES: AUTO & MARINE E & H International will pay for used batteries, 868-4362. Interstate Batteries accepts auto, marine & other types of vehicle batteries for a fee, 242-5887.

BATTERIES: HOUSEHOLD & RECHARGEABLE Call Malama Maui Nui, 877-2524, for household battery drop-off locations. Take rechargeable tool batteries to Home Depot for recycling or to Slim's Power Tools, 142 Kalepa Place, Kahului, 242-7878. In Hana, take to Hasegawa Store. On Lanai take to Pine Isle Market, and on Molokai: take to Misaki Store or to Recycle Molokai.

CHEMICALS FROM RESIDENTS Small amounts of non-usable chemicals: cleaners, pesticides, solvents & auto fluids such as antifreeze & contaminated used motor oil: Absorb with a material such as cat litter, triple plastic bag, tie up tightly & take to the landfill. These items **must not** go into rubbish cart as bags may burst in the refuse collection truck. Alternatively, you can also hold onto your waste and bring it to the next Household Hazardous Waste collection event. Call 855-325-3222 to inquire about & schedule an appointment for the next event. For your safety, please solidify materials separately. Combined items may be poisonous.

COMPACT FLORESCENT LIGHT BULBS Take to Home Depot. Dispose by triple bagging & take to the Central Maui Landfill, 270-6153 (limit 10). Business tubes & bulbs must be taken to a Haz-Mat company. (See contact info listed at the top of this page.)

PAINT Usable paint: donate new cans to Habitat for Humanity, 986-8050. Donate partial & reusable cans to Malama Maui Nui (CWD), 877-2524. Call first. Non-usable **latex paint** must be absorbed with a material such as cat litter, triple bag, tie up tightly & take to the landfill. These items **must not** go into rubbish carts, as bags may burst in the refuse collection truck.

THE COUNTY IS HOSTING PERIODIC HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENTS ON MAUI

Maui island residents will be notified when the upcoming event will be held. Look for notices on banners and in the news. In order to drop-off household hazardous waste, residents are required to call EnviroServices to schedule an appointment in advance and to report the types and quantities of materials they plan to bring. Only materials from residents who have appointments will be accepted.

To schedule an appointment, call EnviroServices at 855-325-3222.

Examples of materials that may be accepted include: Fluorescent light bulbs, lead acid batteries, pesticides/fertilizers, oil-based paint, flammable liquids and mercury containing items.

Residents who want to dispose of small quantities of HHW before the collection event can: 1) properly absorb liquid HHW and deliver it to the landfill, or 2) pay a HHW business to pick the waste up. See the list of HHW Contractors on the previous page or call the Hotline at 270-7880.

Items such as used motor oil & latex paint will NOT be accepted as the County has other facilities that accept these materials. For locations, refer to page 10.

RURAL COLLECTION EVENTS

The County sponsors rural recycling collection events for hard to recycle items including: appliances, small scrap metal, vehicle batteries & tires, computers/electronics, & household batteries. Locations may include Hana, Lanai, & when possible, other remote areas.

For information about periodic events in Hana & on Lanai, and about ongoing metals collection on Molokai, call the County of Maui Solid Waste Division, Abandoned Vehicles & Metals (AVM) Section at 270-8217.

CURBSIDE RECYCLING

Maui Recycling Service provides curbside recycling to residents & businesses by collecting residential recyclables (pg. 4), plus office paper, magazines & catalogs, phone books, household batteries, printer cartridges, electronics, cell phones & cooking oil for biodiesel. Call Maui Recycling Service, 244-0443 for fees.

COMPOSTING REDUCES WASTE

Maui EKO Systems has diverted more than one million tons of organic material from the landfill & turned it into valuable compost, resulting in healthier soils & plants. Residents: show this recycling guide to get a 25% discount on EKO Premium Compost. www.MauiEKOCompost.com

OPT OUT OF EXTRA PHONE BOOKS Maui County currently has three phone books. If you do not want all three books delivered, go to www.YellowPagesOptOut.com & remove your name from the delivery list for unwanted phone books. Depending on the timing, some will still receive the next scheduled delivery, but subsequent issues should cease to arrive.

WAYS YOU CAN REDUCE

Use a reusable lunch box instead of a paper bag to carry your lunch. You won't have to throw away a paper bag every day!

When you make a purchase, don't take a bag unless you need one.

Rent items you use infrequently, rather than purchase them.

Wrap your gifts in a cloth bag so it can be used over again.

Use cloth napkins instead of paper ones.

Use a sponge or cloth rag instead of paper towels.

Always look for items with little or no packaging.

Use reusable plastic or glass containers for food instead of plastic bags.

Use rechargeable batteries instead of disposable ones.

Go online or to the library to read your favorite magazine, book or newspaper rather than purchasing them.

Use plates, cups and utensils you can wash instead of paper plates, cups and plastic utensils that you have to throw away.

Purchase items in concentrate (such as juice and detergent) when possible.

Choose products in recyclable or refillable containers.

Avoid buying food items in single serve containers.

RECYCLING TIPS

Please help **Reduce Waste & Recycle More** by doing the following:

- 1) Remove all lids & caps from food containers & empty & rinse all items well so that they are recycled. Items that are not rinsed are discarded.
- 2) When shopping, take reusable bags into the store & refuse bags at the register or bag your groceries at your car if you forget your bags.
- 3) If you do use paper bags, please recycle them at your neighborhood recycling center.
- 4) Remove plastic packaging and Styrofoam inserts from cardboard boxes & be sure to break down and flatten them.
